

## Another Biggest Bank Poor Broker—Sold Short Our Disgraces A Fight for John D.

Again 'The world's biggest bank' makes its bow, bigger than any thus far.

Charles E. Mitchell, head of New York's National City bank, absorbs the Corn Exchange bank, creating an institution with resources of two thousand five hundred millions of dollars.

This one financial giant will have 10 branch banks in New York. The old-fashioned million has given way to the new 'billion.'

When will the TRILLION be transferred from books on astronomy to the books of United States bankers?

In Wall street a broker has closed up. His story is sad and brief. HE SOLD SHORT.

And, most strange, he sold bank stocks short.

To 'short' a bank stock with banks getting from 10 to 20 per cent for money on call, calls for an investigation in lunacy.

The Prince of Wales buys his first airplane, making his first flight as an owner to see his father at Sandringham. It is a G. H. Gypsy Moth, price only \$3300.

The prince would not buy anything not 'pure British.' The little Moth makes ninety miles an hour, is painted bright red and blue, and carries a silver plate marked 'H. R. H., the Prince of Wales.'

We have an assortment of 'national disgraces.' One, our high percentage of illiteracy; another, the high efficiency of bootleggers, hijackers, organized criminals.

Another is the official usury established by the federal reserve as a basis for dealing in American securities.

Our worst disgrace is the fact established by the American Association of Obstetricians, Gynecologists and Abdominal Surgeons, that this nation has the highest maternity death rate in the civilized world.

Of the thousands of mothers dying every year in childbirth, 65 per cent are killed by septicemia and toxemia, both preventable.

You read that the naval conference will depend largely on what Japan wants and agrees to. The powerful face of the Japanese Premier Hamaguchi, who will do the deciding, tells you that Japan will talk plainly.

If Uncle Sam and Britain cannot agree Mr. Hamaguchi might be useful as a good excuse.

Why doesn't Uncle Sam decide for himself what he wants in airplanes, cruisers, submarines and everything else? Do we NEED the approval of another country?

Col. R. W. Stewart, formerly head of Standard Oil of Indiana, beaten in a fight with Mr. Rockefeller has gone to England. Perhaps he goes to join the Shell company in a great British oil merger and anti-Standard oil fight.

Colonel Stewart will visit Sir Henry Deterding, head of the British 'Shell,' the biggest Rockefeller rival in the world's oil trade.

If the British want action and an American representative who knows the oil business, they show intelligence in selecting Colonel Stewart.

It looks like a real oil fight. Betting is wrong, and apart from that it might be unwise to bet against the Rockefellers. They have never acquired the habit of losing.

News from Jerusalem that will doubtless cause indignation and mass meetings tells of the arrest of 44 Jews of Haifa, held without bail, accused of premeditated murder of Arabs during the recent Arab-Jewish riots.

The President announces the appointment of Harry F. Guggenheim as ambassador to Cuba.

Cubans will welcome Mr. Guggenheim, representing an able and powerful American family well.

Americans will be glad to hear that Mr. Guggenheim's work for aviation in America is conspicuously recognized.

Happy Free State of Ireland! It lacks the blessing of prohibition, but on the other hand it lacks our stupendous crime wave.

While this country multiplies its prisons, containing thousands of prisoners, with occasional frightful rebellion, the Irish Free State reports a total prison population of 700.

Britain is disturbed because the na-

## CAMERON MEN ATTEND VICTORIA MEETING

### NATIONAL HIGHWAY TO BE DISCUSSED AND CAMERON IS INTERESTED

A delegation of business men left Cameron Thursday morning for Victoria to attend the good roads meeting there which has under consideration a national highway connection which will traverse the old Sap highway designation and connect the two countries.

Cameron is vitally interested in this project. Secretary W. M. Cobb of the Commercial Club was working Wednesday on a delegation to represent Cameron.

County Judge Jeff T. Kemp, A. F. Mitchell, engineer, and Commissioners Fuchs and Hairston left Wednesday for Victoria where they will attend the meeting.

Among those included in the delegation from the Commercial Club are W. M. Cobb, John C. Young, J. D. Dobbins, F. E. Jackson. It was believed an additional number would attend from Cameron.

This is one of the most important road designations for Cameron in recent years.

This matter was first brought to the attention of the Commercial Club by Mr. Cobb who feels that the proposed highway will be the most important contribution to Cameron in recent years. The matter of securing this road seems to be only a question of completing certain links in the road. The meeting at Victoria will have under consideration all the factors contributing to the success of this road, with Ross Sterling of the Highway Commission delivering the principal address.

The route, according to Mr. Cobb, in addition to following the Sap highway designation through this and other counties will go from Cameron to LaGrange through Giddings and straight to Hallettsville and from Victoria to the Mexican border where it will connect with a national Mexican highway.

This road according to Mr. Cobb will have the importance of attracting the federal government to be available in cases of military operation or other transportation incident to government business.

Cameron is soon to have direct connection with Houston over a paved road which makes travel 35 miles short of the present route through Bryan.

Only a few links remain to be closed, one of them will be in Milam county to complete the important route through Cameron to Victoria and the Mexican border.

## W. M. COBB IS ELECTED SECRETARY OF CLUB

### COMMITTEE CHAIRMEN NAMED BY PRESIDENT F. E. JACK- SON MONDAY NIGHT

W. M. Cobb, former editor of the Cameron Enterprise and for a number of years secretary of the Cameron Commercial Club was elected secretary again at the meeting of the directors on Monday night to serve for the ensuing semi-annual period.

In addition to the election of a secretary President F. E. Jackson named the following committee chairmen for the next term: M. G. Manning, transportation; W. J. Watson, civic improvement; P. C. Colgin, agriculture; T. A. Fisher, finance; W. H. Shipp, investigation; George Gott, home industry; T. S. Henderson, Sr., good roads; B. V. Roberts, membership; H. E. Garner, rural route; J. B. White, publicity. S. A. Cottle, oil and gas.

Mr. Jackson expects each committee chairman to attend the meetings of the club and to assist the directors in the business of the club. Good interest was shown in the meeting and the coming semi-annual period promises to be one of unusual benefit for the city.

**\$2.50 REWARD

## W. E. GAITHER BUYS THE TEXAS AGENCY HERE

### PURCHASE MADE FROM J. H. PRIMM WHO WILL LEAVE CAMERON FOR HOUSTON

W. E. Gaither of Cameron has purchased the agency of the Texas Company here from J. H. Primm. The deal was closed last week and Mr. Gaither has taken charge of the affairs of the agency in Cameron.

Mr. Primm who has owned the agency for several years will leave Cameron in a few days for Houston where he expects to continue his service with the company, possibly buying an agency in some other section of the state. Mr. Primm has made many friends in Cameron and gave the company a wide distribution of its products.

Mr. Gaither has been agent for the Texas Company at Rockdale for a number of years in connection with his Ford agency there and is well known to the trade in oil circles. He recently completed a home in Cameron and has moved here to make his home.

## Fashion Exhibit At Cheeves Big October Selling Event

The Fall fashion exhibit at Cheeves Brothers store in Cameron announced in The Herald last week with posters in addition mailed to the people of the territory is proving one of the greatest sales events for October in recent years.

The double page advertisement has brought many buyers from over the territory to the Cheeves store in Cameron and the great fashion exhibit will continue to attract buyers of good merchandise through the fall season. Looking over this big sale one sees many attractive lines of goods announced for the exhibit. This is not a sale in the ordinary sense of the word but an extraordinary exhibit of fashionable goods for fall and winter in every department of this big store.

Trading advantages will be attractive at the big store 'on the square' all during the fashion exhibit and the sales each day since it began last week have been heavy indicating a fine response both to the low prices prevailing and the standard brands of goods included in every department.

Every department of the big store is crowded to capacity with goods for fall wear. 'We have the largest and most complete stock in recent years,' said Mr. Cheeves, 'and we are well pleased with the selling of goods since this fashion exhibit began.'

The exhibit and price quotations continue for several weeks. The advertising matter for the sale was purchased at home, a policy the store has maintained all through the years.

## Legion Will Plan For Armistice Day Dinner For E-Service Men

The Edwin Hardy Post No. 9 of the American Legion will meet in the District Court Room, next Tuesday, October 15. The election of officers for the coming year will take place at this meeting and every ex-service man and Legionnaire should be present. Plans will also be formulated for the annual November 11 dinner that has become one of the big events of the year for the Legion in Cameron and Milam County. It is the desire of the Legion that every ex-service man in this community be present at the November 11 dinner this year.

## Two Million Dollars Moves Over the Streets of Cameron

After the close of business Wednesday, the Citizens National Bank moved from its temporary quarters in the Denson building to its palatial, new home just completed on its old location.

This movement of more than two million dollars of cash and securities belonging to the bank plus a large amount entrusted to it for safe keeping by its customers was accomplished without a hitch and was so orderly that it was scarcely noticed.

The actual money of the bank was locked in its two large safes with the time-lock set for Thursday morning at 8:30 o'clock and the workmen rolled the safes with their valuable contents across the street with only two armed guards. These guards, however, were unnecessary as the safes themselves are burglar proof and their own heavy weight precluded the thought of robbery.

## YOEMEN ARE VICTORS IN OPENING GAME

### DIERR LEADS SCORING WITH FOUR TOUCHDOWNS IN GRID BATTLE HERE FRIDAY

With Pro 'Ham' Dierr setting the pace the 1929 Yoemen opened their home season by swamping the Rosebud club to the tune of 62 to 0. Every member of the Yoemen squad played well, exceptionally well and the 1929 season bids fair to be one of the best ever had by the Yoemen.

Dierr led in the scoring with four touchdowns. These touchdowns came as the climax of several long runs. Once he side stepped his way for 45 yards and a moment later repeated for 35 yards. He was assisted in the scoring by Smith and Keith with two touchdowns each and Manning and Atkinson who crossed the line one time each.

The Yoemen journey to Navasota this week. They expect a hard battle but intend to add another victory to their belt.

## Car Load Furniture At Green Brothers

The Green Brothers store has received several car loads of furniture this month and the stock is complete. In this issue will be found a large display advertisement from the company telling of the new goods now on display at the store.

Mr. Green also reports a new shipment of Majestic radio sets and the sale in these sets continues brisk. 'We are receiving new shipments every few days and our stock is full and complete,' said Mr. Green.

## J. R. Hunt Collection of Indian Relics On Display at Herald

The J. R. Hunt collection of Indian relics, arrow heads and spear heads are now on display in The Herald office building and may be seen by the public.

Mr. Hunt has these relics encased. There are 450 of them and some of the finest known in America. These relics have been gathered by Mr. Hunt after many years of search and they are not for sale. They have been brought to Cameron by Mr. Hunt for the education of the people and the children especially.

The building formerly occupied by the A. E. Green insurance agency has been set aside and will be used for a museum. Within a few days other displays will be placed there. Mr. Hunt was in Cameron Thursday completing the work of arranging this display.

## Watch From Thomas Store Found Wednesday In Brownwood

A watch stolen from the store of George A. Thomas and Sons in Cameron on the night of September 30 when the store was robbed was found in a pawn shop in Brownwood Wednesday according to Sheriff Blaylock.

The discovery of this watch is the first clue so far obtained in the search for the thieves. According to information here the watch was said to have been sold there by a man claiming to be a circus representative. Information of the robbery was sent to all officers in Texas by Sheriff Blaylock.

On the night of this robbery thieves also entered the freight house of the Southern Pacific railroad and took 11 cases of cigarettes.

The officers are working on the case from every possible angle in an effort to apprehend the thieves.

## World's Series Here By R. C. A. Radio Sets

Baseball fans are thoroughly appreciative of the courtesy of the Cameron Furniture Company in receiving the returns of the World Series being played between Chicago and the Philadelphia Athletics.

These returns are being received through the loud speaker installed on the awning of the store. The R. C. A. radio set is proving a popular as well as efficient utility in the receipt of these returns.

Many of these sets have been sold in Cameron and the Cameron Furniture Company has an attractive display of these models.

The Cameron Furniture Company has recently received a large shipment of new furniture for the fall season business.

## CABARET DANCE AT SKEEZIX THURSDAY

On next Thursday night an innovation in dances is to be given at Skeezix. A cabaret dance sponsored by the American Legion and featuring the Texas University Troubadours and the juvenile vaudeville star Patsy Sweet. The Troubadours are well known here having played here before and are always greeted with a large crowd. Lee and Tom Howell, former Cameron boys are members of this popular orchestra. For the regular Saturday night dance for this week Mr. Cammer has secured a popular negro orchestra from Houston.

Clifford Barmore of A. & M. College spent last week end in Cameron with his parents, Mr. and Mrs. Jewel Barmore.

Mr. and Mrs. Bert Miller and Kathryn Lovick and Bob McCown attended the show in Rockdale Monday evening.

## ONE DEAD IN CROSSING CRASH HERE TUESDAY

### MRS. JESSE HENRY KILLED WHEN SANTA FE FREIGHT STRIKES CAR

Mrs. Jesse Henry, 65, was almost instantly killed here on Monday, October 7 at the Santa Fe crossing near Marlow when a freight train struck the car in which she was riding with Mrs. Hicks. The car was said to have been stalled on the tracks as the train approached and there was no opportunity for escape.

Mrs. Hicks who was severely injured is still in the Cameron Hospital recovering from her wounds.

An ambulance from the Green Undertaking Company went to the scene of the accident and took the injured to the Cameron Hospital. Mrs. Henry died shortly after arriving at the hospital, her injuries being of such nature as to prevent any effective relief by the surgeons.

Mrs. Henry was a native of North Carolina and was 65 years, 3 months and 11 days old at the time of her death.

Funeral services for Mrs. Jessie Henry, who was killed in an automobile-train collision Monday afternoon were held at Marlow Baptist church Tuesday afternoon at three o'clock, with Rev. Nicholson, pastor of the Presbyterian church at Maysfield, officiating. Interment was in the Marlow Cemetery, Green Brothers in charge.

Pall bearers were Sherwood McLerran, G. A. McDermott, Erskine McDermott, Billie Bickett, Virgil Coward and F. F. Burnett.

Mrs. Henry is survived by three sons: E. A. Henry and S. J. Henry of the Marlow community and W. C. Henry of Dallas.

## PAINT EXPERT SAYS COLOR ERA IS HERE

### SHERWIN WILLIAMS COMPANY HAS BIG SALE THROUGH THOMAS DRUG STORE

H. A. Sullivan, representative of the Sherwin-Williams Co., paint and varnish makers, with headquarters in Houston has arranged for a big educational and publicity campaign thru their local distributor, the George A. Thomas Company.

Mr. Sullivan said it was the consensus of opinion at his company's recent national merchandising conference at Chicago that the present great demand for bright colors would keep growing.

'No less an authority than Dr. Julius Klein, Asst. Secretary of Commerce told us that in his opinion this urge of color is not a craze nor a fad but a reflection of a new living standard,' said Mr. Sullivan. 'Dr. Klein, also told us the public wanted paints not just for their protective value but to make things more beautiful. He referred to the color vogue in typewriters, pens, kitchens, bathrooms, furniture, floors, airplanes, shoes, golf balls, and a thousand and one other things including B. V. D's, as representing serious demand for brighter things.'

'Our decorative experts,' continued the representative, 'told us that millions of women are using small package enamels and brushing lacquers in bright hues. Greens, reds, orange, yellows, and strong contrasts are in big demand. We have sold over 25,000,000 packages of our Rogers Brushing Lacquer alone to meet this demand.'

'The country is exceedingly prosperous according to our President, George A. Martin,' said Mr. Sullivan. 'Mr. Martin pointed out that the country has billions in wealth, people are buying, and there is no cloud on the horizon unless it might be too much prosperity. Mr. Martin stated that the Sherwin-Williams business for the year just closed on August 31, would approximate \$74,000,000 in sales and it was the biggest year in the Company's 63 year history. Mr. Martin referred to August sales as breaking all records, with gains averaging about \$500,000 each week, over the corresponding weeks a year ago,' said Mr. Sullivan.

The George A. Thomas and Sons Drug store stated 'their company had prepared to meet the growing demand for colors in the home and are better equipped than ever to give complete information on Paints, Varnishes, Enamels, and Lacquers, as well as all decorative problems to property owners in Cameron.'

Mr. and Mrs. Billy Marek and daughter, Billy, and Grandma Matusch were visitors in McGregory Sunday.

## Texas and Texans

By Will H. Mayes

### Texas Prisoners Escape

This column deals mainly with the constructive things that are being done in Texas, but occasionally the writer is tempted to turn aside to say something about matters that can not be placed in that category. Perhaps the recent escape of 18 prisoners from the tubercular farm near Huntsville may be placed in that class.

The men who escaped were nearly all long-term prisoners, some of whom had made previous escapes from the penitentiary. They were sent to the Wynne farm, it is reported, because they were 'unable to work.' Yet they were able to make an opening in the kitchen floor, and dig a three foot tunnel, seven feet below the ground for a distance of 70 feet, hide the dirt while at work for 30 days on the tunnel, and make their escapes without arousing the suspicion of any penitentiary officials or guards.

It is doubtful if a better argument could be advanced for rebuilding and 'reforming' our penitentiary system.

### Who Wants a Penitentiary?

The penitentiary committee which is preparing its report after spending the summer on an extended tour of inspection over a large part of the country, will doubtless recommend that the penitentiary be centralized in a plant to cost from \$5,000,000 to \$10,000,000 somewhere within 20 to 50 miles of Austin. When the legislature meets again and the matter is submitted to it, in all probability there will be a long-drawn fight, and it may result in nothing being done. Some of the members who did not go on the inspection tour are already expressing their opposition to the adoption of the committee's report. It is doubtful if any community near Austin will consent to having a penitentiary system located in it without a hard contest. Texas is still far from a solution of its penitentiary problems.

### Penitentiary a Disgrace

Governor Moody cannot suppress his indignation when he thinks about the Texas penitentiary system, and the continued mismanagement that has cost Texas so much money, with the only net result being that it has made criminals all the more hardened. Governors before Moody have urged that something be done to better conditions and committees time and again have made reports in line with the findings of the most recent and the most expensive committee, but the legislature has always ignored all recommendations for a centralized penitentiary system, economical business management, and firm but humane treatment of prisoners. There is nothing in the personnel of the present legislature worth while being done.

### Blanton Resigns Position

W. N. Blanton, the man who has done much of the hard work that has been responsible for the success of the East Texas Chamber of Commerce, has resigned the secretaryship of that organization to become secretarial manager of the Houston Chamber of Commerce. Not long ago Homer E. Wade resigned from a similar position with the West Texas Chamber of Commerce to become manager of the Dallas organization.

Both of these hard workers are to be commended for the wisdom they have shown in 'getting from under' before their organizations are wrecked by politics, which is more than likely to be the result if they are inveigled by political leaders into the campaign for an enormous road bond issue for Texas, as now seems probable.

Texas once had an influential State

Chamber of Commerce, but it was converted into a political lobby at Austin and went the way of all business organizations that forget business for politics.

### 'Well, Did You Ever?'

Judge John A. Valls, district judge at Laredo, has resigned that position which paid \$5000 a year to again become district attorney at \$4000 a year. He has served some 26 years as district attorney and had been a judge only a short time and the lawyers who practiced before him say he is a good judge, but when R. L. Bobbitt resigned to become attorney general, Judge Valls asked to have his old job back. The reason he gave was that he had been district attorney so long that he had come to like the work better than having to try civil law suits that come before a judge. After all it is better to do the work one likes best, even if it doesn't pay so well.

### San Antonio-San Angelo Road

The promotion of the railway line from San Antonio to San Angelo announced that they have ironed out the objections that have been urged to their proposals by the other railroads and are now in position to go ahead with their work of securing the rest of the necessary money, after which the work will be started. The new road is to be capitalized for \$1,800,000 and about \$800,000 of that amount has been subscribed. It will cost approximately \$6,300,000 but when the stock is subscribed and paid in, bonds for the rest of the money will be floated.

### Rio Grande Valley Building

John E. Bell, secretary of the San Benito Chamber of Commerce, who seems to be good at figures, says that the Lower Rio Grande Valley has in the last two years spent \$100,000,000 in improvements, of which three-fourths has been for public improvements and the other fourth for business and residence buildings. The territory included in the Valley is the three counties at the South point of the State, where so much fruit and vegetables are grown.

The marketing of the fall crop is just starting and it is estimated that 30,000 cars will be needed to get the fruit and truck to market. If you are good at figuring, you can work awhile on the amount of money that should bring into the three counties.

### Electrical Output

It is painful to a Texan to run across anything in which Texas does not lead all the country, but figures can't be disputed except by statisticians and income tax experts. Texas is 13th, among the States in the output of electric current, or was in 1927, even West Virginia and New Jersey leading this State.

The use of electricity, however, is almost new in Texas, and by 1937 Texas will have moved up beside New York, Pennsylvania, California and Illinois, in consumption of electric current.

### Showing Good Sense

Speaking of electricity is a reminder to mention that Granbury in Hood county, has refused to sell its municipally owned light plant to a utility company. Even if a small town plant isn't quite as good as it might be and maintenance expense is a bit high, the

small cities should be mighty slow to turn over to outside corporations.

### Sheep and Goats

That section of Texas known as the 'Hill Country,' with Kerrville as about the center, reports a large increase in the number of sheep and goats over the previous tax rendition. In Uvalde county, there was an increase last year of 36 per cent in the number of sheep. The goat increase was 8 per cent, but the county already had about as many goats as it could hold, the number counted being 155,155.

If you ask the average tourist about the country he has traveled through, he will begin to tell you how many miles he can make on a gallon and how many miles he makes in a day. He does not know much about the country he has traveled through.

The Ohio State Journal reports that it has in mind several truck and bus drivers that it intends to do something to the very first day after the meek inherit the earth.

New styles in men's clothing are said to be more like the women's clothes. May the Lord help us if the men display their shanks.

## FRIDAY & SATURDAY SUGGESTIONS

## SHERWIN-WILLIAMS PAINT HEADQUARTERS

**THERE'S NO PAINT BARGAIN LIKE GOOD QUALITY!**

You need  
fewer gallons  
of SWP

to paint your house

Fine old SWP House Paint has such wonderful "body" that each gallon thoroughly covers more square feet of wall.

That is one reason why SWP House Paint costs no more than cheaper paint on your house. The saving on gallonage does it—regardless of the price per gallon.

In addition you get the superior quality of SWP—the more beautiful, weatherproof colors—the long service that saves 50% to 60% in repainting cost. All because fine old SWP is made of the finest materials, by the largest paint and varnish makers in the world.

Come in and let's do a little simple arithmetic before you squander money on cheaper paint.

Specify  
SWP and  
engage a  
good  
painter

Fall painting is the most important of the year. Don't neglect to paint weather-beaten houses, garages, shutters, trellises, fences, screens, flower boxes, etc., NOW. You will save money. And, remember, cheaper paint can not equal the economy of fine old SWP for your house. We are at your service at all times. Call for suggestions.

## J. E. Torno, 58, Is Buried In Cameron Tuesday, October 8

J. E. Torno, 58, died from heart attack at 5:30 o'clock Monday afternoon October 7, 1929 at the Cameron Compress Company. He had been employed by the compress for some months and was a valued member of that force. Death came to Mr. Torno suddenly as he went about his duties there. He had been suffering from heart attacks for some time.

Mr. Torno had been a resident of Cameron for a number of years and had many friends here who regret to learn of his death. He was formerly employed by the City of Cameron.

Mr. Torno is survived by his widow and four children as follows: Miss Irene Torno, Mrs. Albert Underwood of Houston, Frank and Roy Torno of Cameron and one sister, Mrs. J. W. Radtke of Cameron.

Funeral services were held from Coleman-Epler funeral home with services at the First Christian church, Tuesday afternoon with interment in Oak Hill Cemetery.

The Herald extends sympathy to the bereaved family and relatives.

## Milam County W. M. U. Meets Here Monday

The Milam County W. M. U. Association met Monday at the Baptist church for an all-day session with Mrs. J. C. Martin acting as president in the absence of Mrs. E. S. Hutcherson.

During the morning, addresses were heard from Mrs. Jesse W. Maxwell of Austin, president of District 15 of the W. M. U., and from Mrs. Leigh of Dallas, state corresponding secretary and treasurer.

The Cameron W. M. U. served lunch and in the afternoon the business meeting was held. Reports were heard from the various officers of the Association. Mrs. Wilson Gunn was elected president for the ensuing year.

## GRAMPING SPELLS

Mississippi Lady Tells How She Suffered Until She Had Taken Cardui on a Friend's Advice.

Greenville, Miss.—In describing how she suffered several years ago, Mrs. Mattie Dalton, of 112 Pecan Street, this city, recently wrote:

"I would cramp, and my hands and feet would draw, so I came near having convulsions. I would have to stay in bed, sometimes a week, and when I would get up, I just dragged around, and did not feel like doing my work. I suffered a great deal with my back.

"A friend came to see me and saw how I suffered. She told me to try taking Cardui, which I did. I seemed to have more strength, after my first bottle. After I had taken about four bottles of Cardui, I saw a great improvement.

"I quit having such bad spells, and was stronger and better than in a long time. I gained in weight. I took a few more bottles of Cardui, and felt so well that I quit taking it.

"I certainly can recommend Cardui, for I know what it is to suffer, and I know that Cardui helped me."

"Thousands of women have written to tell of the benefit Cardui has been to them, in helping them to build up their health.

Having helped so many others, Cardui should help you, too. NC-212

Westbrook were dinner guests in the W. M. Hurry home.

Jake Richards visited his parents Sunday afternoon.

Mrs. Tom Richards and children spent the week end with their parents, Mr. and Mrs. A. B. Richards.

Mr. and Mrs. Rob Fuller and Mrs. Westbrook spent Sunday afternoon in Yarrington with Mr. and Mrs. Rust Filks.

Dr. and Mrs. S. R. Cotton will leave Cameron Friday morning to attend the State Convention of Chiropractors which is to convene in the Rice Hotel in Houston.

## Mrs. J. D. Baskin Is Hostess To 42 Club

Mrs. J. D. Baskin was hostess to members of the 42 Club in the first meeting of the season last Thursday afternoon. Queen's crown and roses were used throughout the rooms, and low vases of Queen's crown were used to center green trays, from which a

salad course and an ice were served following the games.

Individual favors were pink-wrapped boxes filled with pink home-made candies. Mrs. Baskin was assisted in entertaining by her young son, Jim, who passed score cards and favors.

Out of town guests were Mrs. C. E. Meadow of Houston and Mrs. Hazel Burke of Washington, D. C.

**C** LIMAXING the other important announcements of the past 12 months including sweeping price reduction, new models, Porcelain-on-steel inside and out, the famous "Cold Control", the quiet compressor and with sales greater than at any time in the history of the Company, Frigidaire Corporation announces . . . a

# Special small cash payment

puts any Frigidaire in your home . . . balance to suit your convenience

The Frigidaire "Cold Control"

The "Cold Control" enables you to control the temperature in the freezing compartment, speed the freezing of ice cubes and make a great variety of delicious desserts.

End the risks of uncertain refrigeration. End the dangers of tainted food. A special small cash payment puts Frigidaire in your home—now. And Frigidaire brings you a combination of essential features found on no other refrigerator in the world.

The Frigidaire "Cold Control" for example, is one of the greatest developments in electric refrigeration. It is offered only by Frigidaire.

Furthermore, the Frigidaire mechanism is built into the bottom of the cabinet. It is accessible. Inspections or adjustments can be made easily and quickly with no interruption in service. All of the food shelves are in the upper part of the cabinet. Stooping is eliminated. The top of the cabinet can be used for shelf space.

Winter as in Summer you need Frigidaire. And now, today, you can buy this truly modern refrigerator—with all the features that only Frigidaire can offer on remarkably liberal terms.

Come in and let us tell you about our deferred payment plan—a plan that makes Frigidaire easier to buy than ever before. Call at our display room or phone for our representative, today.

# At Last—A Roof That Cannot Leak!

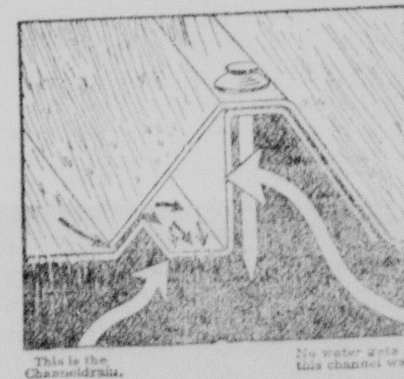

# Channeldrain ROOFING

MADE OF COP-R-LOY THE COPPER ALLOYED STEEL

There is a big difference between Channeldrain Roofing and ordinary roofing although both cost about the same. Channeldrain Roofing can't leak; the patented lap construction forms a perfect drain and prevents water from getting under the roof.

In addition, Channeldrain Roofing is fire-proof and lightning-proof. A highly durable pure zinc coating gives

extra protection to the special Cop-per Alloyed Steel base, insuring longer life and freedom from expensive repairs.

Channeldrain Roofing is easy to apply; no special tools are required. Everything considered, it is the most economical roofing for you to buy and we recommend it unqualifiedly for the benefit of all our customers.

CAN YOU AFFORD TO WAIT?

## FREE ACTS BOOKED FOR COTTON PALACE

Waco Exposition Plans for Free Show Every Hour, Afternoon and Evening.

Waco, Texas.—A different free show every hour is to be offered on the Cotton Palace grounds during the exposition this year, contract having been signed for this number of new and original acts with the Erma Barlow circus revue. Among the acts are a number of thrillers, while some are animal acts designed to prove of special pleasure to the children. It is announced that other free acts will be contracted for before the opening of the exposition on Nov. 1.

In booking the Barlow acts, it is the plan of the Cotton Palace management to have three separate and distinct acts presented each afternoon and an equal number at night.

### Barlow Acts Noted

The Barlow acts are known throughout the country. Miss Barlow's father was the owner and proprietor of the Barlow circus, and spent more than 30 years in the sawdust ring. His daughter inherits her talents from her ancestors and has developed the acts bearing her name to a high state of perfection.

Among the Barlow acts to be shown free at the Cotton Palace is the "Petite Circus Treat," with three people, one dog, one pony, and a potpourri of circus feats. A clown, a well-trained dog and pony, with Miss Barlow holding the bridge, dog and pony, suspended by her teeth (combined weight 700 pounds), has proven extremely popular at the larger fairs of the country.

Man and woman in original head to head balancing is another of the six feature acts. The head to head balancing is on glass bottles, plate glass, upside down juggling, etc., the act concluding with the man walking on his head on a platform balanced on the lady's head.

Of special interest to the children will be the novelty animal act. Two beautiful Angora cats and a pony, with Cricket, the clown goat, are popular with young and old alike.

### 80-Foot Head Slide

Hwatacz Duo is characterized as an European thriller. The man in the act executes a sensational head slide of 80 feet. The track is held in the lady's teeth while the man shoots the dips with roller skates on his head.

Glen Zeldo, novelty balancing trapeze artist, will appear twice daily, as will Burbee's funny clowns, who will furnish fun for Cotton Palace patrons afternoon and night throughout the show.

## AUTOMOBILE RACES AMONG COTTON PALACE FEATURES

Waco, Texas.—Alex Sloan, known throughout the country as among the most successful automobile race promoters, will return to the Cotton Palace Exposition this year, bringing with him a number of drivers who hold both nationwide and sectional records. It will be the first time in several seasons that Sloan has appeared on the Cotton Palace track, where a number of his drivers have established dirt track records. The Cotton Palace management has been advised that a number of the favorite drivers of past years will return with Sloan, driving record breaking cars and competing for the prize money.

## PLAN FOR CORONATION AT COTTON PALACE IN WACO

Waco, Texas.—Mrs. Simkins Wood, chairman for the queen's coronation, the big social event of the Texas Cotton Palace Exposition at Waco, Nov. 1 to 10, expects the attendance from every section of the state to be the greatest since the queen's ball was inaugurated as a Cotton Palace feature. This, she says, is based on the responses received from young ladies who have been invited to participate in the coronation exercises. The society ball, which is scheduled for the night following the queen's coronation, will again be popular with debutantes from a number of Texas towns and cities with an unusually large number from Waco.

Tootsie Benson, theft of cotton, fined \$50 and 30 days in jail.  
Annie Brooks, aggravated assault, fined \$25.  
Harvey McDonald, petty theft of cotton, fined \$50 and 30 days in jail.  
Harvey McDonald, carrying a pistol, fined \$100.  
The Commissioners Court with A. F. Mitchell, engineer, are attending a good roads meeting at Victoria with the object in view of the improvement and hard surfacing of highway No. 44, which when completed would be one of the finest highways in Texas running from Oklahoma to Mexico. Judge Jeff T. Kemp left Wednesday afternoon to be present at the meeting.

## the social Undoing of Elizabeth Ann

As a hostess, Elizabeth Ann decided that she was a grand success. She glanced happily about the tables of modish guests in the living room.

This was a party, she thought. One they'd talk about for many a day. Everything was going beautifully.

She giggled as one of the group at the nearest table trumped her partner's ace. The hum of conversation rose and fell.

And then... the telephone rang! "Yes, he's here," she answered, "but he can't come to the 'phone. He's in the garage working on the car. Oh!... Long Distance... very well... I'll call him."

Her heart sank. The sparkle left her eyes. Too well she knew what to expect when her husband "worked on the car."

"And things had been going so well," she thought bitterly, as Ed, red-faced and perspiring, oil and grease from head to foot, paused in embarrassment at the door.

Ed was waiting in the hall when she closed the door miserably behind the last guest. He slipped a consoling arm about her.

"I'm sorry, honey!" he soothed. "It won't happen again. Tomorrow I'll order an extension telephone for that kitchen."

Telephones where you need them save time, patience, housewifely strength—even prevent minor social disasters.

Few know that one or two additional instruments cost considerably less than the single telephone they now have!

By a wisely-placed "extension" or two, and perhaps a rearrangement of the equipment you already have, an expert telephone man can often double the convenience of your telephone service.

"And things had been going so well!"

Manager, Southwestern Bell Telephone Co., City.

I'd like to know how to get more value out of my telephone service. Please send me free, a copy of your booklet, "Modern Telephone Service for the Home."

## Attend Scout Meeting In Waco On Tuesday

Rev. J. P. Love and F. E. Jackson were in Waco Tuesday night for the banquet given by the Heart of Texas Boy Scout organization which was held at the Raleigh Hotel beginning at 6:30 in the evening.

Plans for the drive to raise \$12,000 budget for the expenses of the coming year in the district were discussed and arrangements made for the campaign.

Practically every city in the district was represented and the outlook for the coming year is encouraging.

Mr. Love is the finance director for the district and both have been active in Boy Scout work.

## Victim of the Times

Tramp, 'Yes'm, lady, women was the cause of me present condition.' The Lady, 'Just in what way?' Tramp, 'Well, ya' see, ma'am I used to earn a good living selling hair pins and when the dames took to bobbing their hair me business dwindled down to nothing and I had to take to the road.'

## Too Much Scenery

'Ye gods! Why did you ditch that queen you had and get a homely nut like that old hen for your stenographer?' exclaimed the friend of the boss. 'To keep from going into bankruptcy,' he grinned, 'the homely nut does six times as much work as the queen did,—and the clerks—and I are

doing six times more work than we did while she was here.'

'What are you studying at the University?' 'Triggernometry.'

# NOTICE FARMERS!

We have recently installed a six cylinder HANCOCK BOLLY MACHINE which will give you MIDDLING COTTON from good bright Snapped Cotton. It will also raise the grade of Picked Cotton from one to two grades.

Be sure to see our display in First National Bank and the Cameron State Bank with actual sample from a bolly bale of cotton.

Bring us your BOLLYS. We will buy them in the seed or gin them for you. We pay the highest market prices for each kind.

**Batte's Round  
Bale Gin**  
Cameron, Texas

## Hancock Bolly Machine At Batte's Round Bale Gin Raises Grade

Interest is being taken by farmers in the announcement for the Batte Round Bale Gin that a Hancock Bolly Machine which gives middling cotton from good bright snapped cotton, has been installed.

A display of this machine can be seen at the First National Bank and the Cameron State Bank with actual sample from a bolly bale of cotton.

Each season of the year a considerable quantity of cotton is below the average when picked. This machine now makes it possible for this kind of cotton to be ginned to the grade of middling thereby increasing money value of the cotton when sold.

Frank Brock as manager of the Round Bale Gin says the machinery is giving successful results and are pleasing to the farmers. In this issue of The Herald Mr. Batte who owns the gin has two large display advertisements calling attention to the work of this machine.

## Living Room Tour For W. H. D. Clubs On October 17

The County Council of Women's Home Demonstration Clubs has planned a tour for the members of the seven different clubs of Milam county. They will visit some of the living rooms in different parts of the county, which have been improved during the past two years through our club work.

The purpose of this tour is to create more interest and enthusiasm in the Living Room Improvement Contest. We hope to have some contestants for 1930. The homes of both of our county winners in 1928 will be visited on this trip. It will be a benefit as well as a pleasure for all; for we feel that after seeing what some women have done, others will want to do also.

The following program has been planned for Thursday, October 17: All meet in Cameron at Post office building at 9 A. M.

9:00-9:15—Visit home of Mrs. John Watson.

9:15-9:30—At furniture store.

9:30-10:00—Go to Maysfield.

10:00-10:25—With Mrs. Newton.

10:25-11:30—To Bryant Station.

11:30-12:00—Mrs. Guido Gersbach.

12:00-1:00—Picnic lunch.

1:00-1:30—Mrs. Will Schwartz.

1:30-2:00—Mrs. J. L. Modesette.

The Rudder and Elmore poultry farms will be visited also, which will be of much interest to the club members.

The lunch will consist of foods that will be easily prepared and served, such as sandwiches, stuffed eggs, pickles, potato chips, weiners, small cakes and doughnuts, coffee and water.

We urge that the arrangement committees from each club please see that all members who can be present on this trip.

This can be said for the styles for women—they are always interesting.

Toncan Iron for Cisterns, Guttering, Cornices, Spouts, Roofing, and Stock Tanks. There is none better. Guaranteed for 25 years against rust, corrosion, etc.

## MILLIONS TO LEND

On Texas Farm Lands at  
5½ per cent interest  
By the Federal Land Bank of  
Houston, Texas.

See W. G. GILLIS, Secretary,  
Cameron National Farm Loan  
Association.  
Cameron, Texas.

McDonald's labor government is having a lot of trouble. Labor knows no more about government than others. The trouble with the government, the ones in power do not want to be fair. There is the trouble with the farmer question. The farmer has never had anything to say. The others got together and the farmer was never mentioned only with promises during campaigns.

## THE STATE OF TEXAS

and County of Milam

To Harvey Pendleton, E. L. Pendleton, George Hall and Virginia Hall, all unknown owners and all persons owning or having or claiming any interest in the land or lots hereinafter described, the same being delinquent to the State of Texas and County of

Milam for taxes and the same lying and being situated in the County of Milam, City of Cameron, and State of Texas, to-wit:

Being lot No. 4 in block No. 3, subdivision 'B' of the Henderson and Arnold Addition to the town of Cameron Texas, and being 208 feet in depth and 100 feet in width, save and except 67 feet and 8 inches by 100 feet off of the South end of said lot which said property is delinquent to the City of Cameron, Texas, for taxes for the years 1927 and 1928 aggregating the sum of \$21.76, including interest, penalties and costs, said taxes having been legally levied, assessed and rendered against said land and lots and the same being a lawful charge and constituting a prior lien against the same in favor of the City of Cameron, Texas, to secure the payment thereof.

And you are hereby commanded to be and appear before the Honorable

District Court of Milam County, Texas, at the next regular term thereof, to be held at the Courthouse of said County, in the city of Cameron on the 2nd Monday in November, A. D. 1929, the same being the 11th day of November, A. D. 1929, then and there to show cause why judgment should not be rendered against you and the said land and lots sold under foreclosure of said lien to satisfy said taxes, interest, penalties and costs, and all court costs; all of which together with other and further relief, general and special, being fully set out and prayed for in the plaintiff's original petition filed in said court on the 4th day of September, and appearing on the docket thereof as suit No. 123, wherein the City of Cameron, Texas is plaintiff and Harvey Pendleton, E. L. Pendleton, George Hall, Virginia Hall, all unknown owners and all persons owning or having or claim-

ing any interest in said land or lots, defendants.

Given under my hand and seal of said Court, at office in the City of Cameron, Texas, in the County of Milam, this 4th day of September A. D. 1929.

PENN WOLF, Clerk,  
20-3tc Dist. Court, Milam Co., Tex.

## See The Giant that is Building Texas...

**A** GAIN the great Texas State Fair draws the interest of all Texas with its countless attractions! Texas goes on exhibit—Texas agriculture, Texas livestock, Texas manufacturing, Texas commerce, Texas amusement, Texas art!

And, there's a distinctly New attraction that you must see—the *Giant that is Building Texas!* This giant exhibit is near the rear entrance of the Automobile and Manufacturers' building.

The central figure of the exhibit is a Giant holding in his powerful hands a large pipe line running from the gas fields to a medieval castle, which is shown in the process of building. One face of the castle takes the shape of the State of Texas and shows a map of Lone Star Gas Company's pipe lines serving 200 Texas communities.

Animated figures, each specially modeled for the exhibit, carry materials up the castle walls in

the act of constructing the castle, while moving models of auto trucks carry various materials used in the gas business up to the castle. Around the feet of the Giant are depicted with animated figures many activities of the gas industry, such as compressor stations, gasoline plants, drilling rigs, etc., in motion. The whole symbolizes GAS—the *Giant that is Building Texas.*

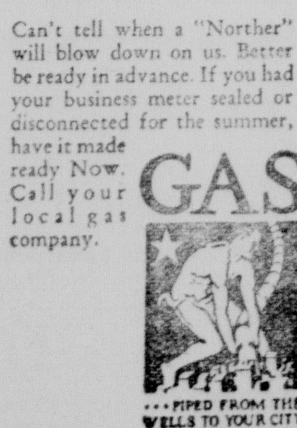

At the rear of the exhibit proper is a most interesting display of modern gas appliances, in actual use, including STARGAS—the Compressed Natural Gas, in portable cylinders. STARGAS starts where gas mains stop—a special boon to rural and suburban home owners!

We especially invite Texas State Fair visitors to see the *Giant that is Building Texas*—one of the most unique exhibits at the Fair this year!

## IN THE TALLOW CANDLE DAYS

When a merchant desired to advertise, he hunted out a piece of cardboard used between the layers of crackers in the cracker box and marked on it in blue chalk, 'Jones keeps everything.' 'Highest price paid for produce,' or some similar trite and meaningless message. He then settled back to wait for business, satisfied that he had advertised his business to the public.

But with the passing of the tallow candle days came a new age in merchandising—a new system of advertising.

Buyers wanted to know something more than the mere fact that 'Jones kept everything' or that he 'paid the highest price for produce.'

They wanted to know what he sold, the quality, the price, the advantages of the particular merchandise and a number of other facts.

The old type of advertising that conveyed to a waiting world that 'Jones kept everything' would no longer meet the requirements. It would not attract attention, create a desire, interest or sell goods. In fact the public was impressed by the fact that Jones kept everything. They had forgotten who Jones was.

With the new condition, came the demand for the new type of advertisement. The advertisement that told in clear, concise, specific English what Jones had to sell, what its good points were and what it sold for.

This is the only type of advertising that is worth printing. It is the only kind that will sell goods these days and people will pass a thousand signs printed on pasteboard from cracker boxes to trade with a live merchant who knows how to merchandise and how to advertise.

**Ten Business Commandments**  
**WORK HARD**—Tackle the hardest job first each day.

**STUDY HARD**—The more you know the easier and more effective is your work.

**HAVE INITIATIVE**—Ruts often deepen into graves.

**LOVE YOUR WORK**—There's a sense of satisfaction in doing work well.

**BE EXACT**—Accuracy is better than haste.

**HAVE COURAGE**—A stout heart will carry you through difficulties.

**BE FRIENDLY**—Only friendly people become successful leaders.

**CULTIVATE PERSONALITY**—Personality is to man what perfume is to the flower.

**WEAR A SMILE**—It opens the door into the sunshine beyond.

**DO YOUR BEST**—For if you give to the world the best you have, the best will come back to you.

Every town could be bigger and busier and more alive if it had a few more citizens who were willing to get into the harness and help put things across.

The Youth's Companion which has been in existence over a hundred years has been discontinued. It appears strange that with all the clamor for wholesome reading for the young that a magazine as good as the Youth's Companion would not receive sufficient support to justify its continuance.

Records hung up by geniuses are being broken every day by pluggers. The pluggers isn't much force when it comes to putting on an exhibition number but he can be counted on for steady performance and real accomplishment.

The condition of a lot of fellows who blantly announce that no one can tell them how to run their business indicates pretty clearly that it would be better if some one could tell them a few things.

A prominent writer, William Lyons Phelps says in Scribners, 'The majority of "realistic" novels just now are both dull and dirty.'

Most any man can sit patiently and

## New Ford Truck Has Four Forward Speeds

A real aid to transportation is the New Ford Truck which is just out and announced this week by the Hubert Hefley Motor Company. This new truck has four forward speeds from 'low low to high high.'

In this issue of The Herald will be found an advertisement from the Hubert Hefley Motor Company describing the equipment of this marvelous new truck. It is equipped with six inch balloon tires in front and rear and has a 40 horse power engine. It has heavy duty truck tires in the It has cantilever springs on rear and a silent, fully enclosed six brake system.

Those who have seen the new truck give it unqualified approval. It is the last word in efficient and economical transportation,' said Hubert Hefley. 'We feel that the new Ford truck will prove a great factor in transportation for this community as it meets all the needs and is an operating truck of outstanding qualities.'

## Symphony Club In First Fall Meeting

The Symphony Club began the season with a meeting Wednesday afternoon at the home of Mrs. C. W. Bradbury. Following the roll call and the reading of the minutes, several matters of business were attended to. Miss Katherine Ramsey and Mrs. A. C. Strickland were elected to membership in the club, and the members were happy to welcome Mrs. Paul Webb, a former member who has been away for the past year.

Miss Rose Fischer, chairman of the year book committee, read the new year book, and it was adopted.

Mrs. C. W. Bradbury tendered her resignation as president of the club and Mrs. A. N. Green as treasurer. To fill these vacancies Mrs. Wilson Gunn was elected president and Mrs. F. J. Beckerman treasurer.

At the close of the business session the hostess assisted by Mrs. Strickland served an ice course.

## Wednesday Bridge With Mrs. Triggs

Mrs. A. J. Triggs was hostess this week to the Wednesday Bridge Club members in their first meeting of the current season. Guests other than members were Mesdames J. M. Ralston, J. W. Coleman, J. C. Martin, Roy Law, Trent Newton and Graham Gillis.

The hostess served a salad course and a drink. Plate favors were carnations.

Following the games a business meeting was held and Mrs. Judd Davis was elected president of the club, Mrs. J. M. Bowman first vice-president and Mrs. Dan Tyson, second vice-president.

## Fiftieth Anniversary Of Wedding Celebrated

A happy occasion for Mr. and Mrs. John B. McLane was the gathering of friends and neighbors at their home on Tuesday, October 8 to bring their congratulations on their fiftieth wedding anniversary.

Throughout the day friends came with congratulations and friendly greetings. Telegrams and flowers were also received through the day.

Mr. and Mrs. McLane have been married fifty years on October 8 and the half century has been one of happiness for them. Now in the sunset of life the warm greetings of friends on the occasion of this anniversary were greatly appreciated. They have lived in Cameron for many years. Mr. McLane was former Mayor here and at one time was with the First National Bank and engaged in other lines of business. He retired several years ago and has been living quietly at his home since. He is an elder in the Presbyterian church and attends regularly the services of the church.

## Katherine Monroe Is Hostess To Friends At Skeezix Picnic

In observance of her tenth birthday Katherine Monroe, daughter of Mr. and Mrs. Frank Monroe, invited a number of her friends to a picnic supper at Skeezix last Wednesday evening, and this was followed by a picture show party. The group gathered at the Monroe home and went to Skeezix on a truck. Here the birthday cake was cut and the emblems were found by the following: Frances McDermott, the double heart; Lucille McDermott, the button; Frances Terry, the thimble; Ruth Hobson, the trowel; Ruth Mode, the owl; Viola Thomas, the violin; Lorraine Freeman, the engagement ring; Virginia Freeman, the cat; Dorothy Matula, the hammer; Dorothy Gohmert, the boat; Helen Ryan, the old shoe; Edith McGee, the wedding ring; and Dana Monroe, the baby.

Katherine was the recipient of many beautiful gifts, one of which was a birthday cake, iced in pink and having her name and age written on it, from Mrs. Charles McDermott.

Those forming the party were: Vivian White, Frances and Lucille Mc-

Dermott, Frances Terry, Zora Clarke Wilkerson, Ruth Hobson, Ruth Mode, Viola Thomas, Ella Bess Haygood, Lorraine Pope, Virginia Freeman, Dorothy Matula, Dorothy Gohmert, Elizabeth Sprott, Patricia Batte, Helen Ryan, Edith McGee and Catherine and Dana Monroe.

## Birthday Party For Patricia and Bobby Batte At Theater

Patricia and Bobby Batte had birthdays on the seventh and eighth days of October, respectively, and last week they entertained their friends with a picture party at the New Hefley theater.

Following the show the group went to the Palace of Sweets for refreshments. Individual favors were bags of cakes and candy. Miss Lella Batte and Mrs. Byron Colburn were chaperones.

## Mrs. S. A. Cottle Hostess To History Club

Members of the History Club met Tuesday afternoon with Mrs. S. A. Cottle as hostess at her home on N. Houston Avenue. Mrs. T. S. Henderson Sr., as leader was assisted by Mrs. Paul Webb who told of a recent trip she had taken through North Carolina and showed pictures illustrating it. Mrs. Henderson discussed Premier MacDonald's visit to the United States and gave an interesting sketch of his life.

Following the program Mrs. Cottle served an ice course.

Guests other than members were Mrs. P. T. Ramsey, Mrs. Roy Williams of Corpus Christi, Mrs. P. W. Davis and Mrs. James L. Coleman.

## W. R. Hoover Returns From Convention Of Legion In Louisville

W. R. Hoover has returned to the city from Louisville, Kentucky where he attended the national convention of the American Legion which convened in that city during the last days of September and early October. Mr. Hoover reports the largest gathering ever attending a convention in America. He brought back with him a copy of the Louisville Times. This edition of that newspaper reflects in a great way the spirit of the convention.

Mr. Hoover reports a splendid trip to the convention and a great time with his old legionaires assembled to talk over the times of 1917 and 1918.

## Miss Eunice Wimberly Buried Here Monday

Miss Eunice Wimberly, 21-year-old daughter of Mr. and Mrs. J. P. Wimberly of Clarkson, died Monday night following a tonsil operation in San Antonio, where she had been working. Miss Wimberly is survived by her mother and father; three sisters, Mrs. A. J. Coyle of San Antonio and Jewel and Francis Wimberly of Clarkson; three brothers, Robert and John Wimberly and a younger brother.

Funeral services were held at Power's Chapel near Clarkson at three o'clock Wednesday afternoon.

## Mrs. Ida Avriett Is Honored By Children On Her Birthday

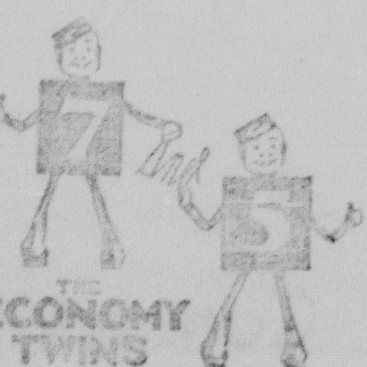

Mrs. Ida Avriett was honored by her children on the occasion of her birthday October 2 with a picnic at Wayside Inn. This has come to be an annual affair in recognition of Mrs. Avriett's birthday.

Those present were Mr. and Mrs. Wm. Rogers, Mr. and Mrs. Giles Avriett, Mr. and Mrs. W. O. Triggs, Mrs. Chas. McDermott, Miss Myrtle Avriett, Miss Lillian Atkinson and Miss Lucille Dickard.

## Lions In Meeting Here Plan Program of Civic Work For Cameron

The Lions Club met at its regular hour on Tuesday noon in the Methodist church with thirty-five members present. This was the fourth meeting of the re-organized club and like the three preceding meetings, it was a gathering of interest and of vivacity.

After lunch L. Van Perkins, heading the Reception and Lions Education committee, announced an outline for future club work. Among suggestions for activity were beautification of the high school ground, tourist information bureau and the cleaning of vacant lots for parking space.

## ENTERTAINS FRIENDS

Shirley McLean, son of Mr. and Mrs. J. M. McLean, celebrated his twelfth birthday Monday afternoon by having the boys in his room at school come to his home and play with him. Following a number of games, Mrs. McLean served sandwiches, cakes and lemonade.

## Mrs. John C. Young Is Hostess At Bridge

Meeting with the newly elected president, Mrs. John C. Young, members of the Triple Four Bridge Club enjoyed games last Tuesday afternoon. A decorative scheme featuring red as the dominant color was used in arrangements of flowers and also in table appointments.

At the conclusion of the games a salad plate was served and a red drink. The trays were centered with red baskets in which were concealed table favors which also were tiny china baskets. These were won by Mesdames Vernon Roberts, S. A. Cottle, Frank Plaster and Alex Triggs. High and second high awards won by Mesdames S. A. Cottle and Clifton Jenness were novelty baskets also.

The many friends of Mrs. Chas. McDermott will be pleased to know that she has returned to her home in Cameron. She has been in a Temple hospital for several days and returns to her home here much improved. Chas. McDermott who has been in Louisiana for a number of months returned to Cameron this week on account of the illness of Mrs. McDermott.

## Mrs. Kathryn Robbins Again Named to Text Book Board for Texas

Mrs. Kathryn Robbins, superintendent of public instruction for Milam county has just been notified of her appointment by Governor Moody to serve on the state textbook board. She has been a member of this board since its appointment by Governor Moody when he entered office for his first term as governor.

Mrs. Robbins by reason of her experience has made the board an excellent member and she is now filling her third consecutive term. Only five members on the board and they are appointed from the state at large.

This continued honor for Mrs. Robbins will be received with interest by her friends everywhere.

## Longest Newspaper Route Chevrolet Coupe Transport

Believe it or not—

The world's longest newspaper route is in Yellowstone Park, is 160 miles long and absorbs between 600 and 800 pounds of newspapers daily between June and September.

It is a full day's work that confronts the driver, Bird Newell, when he steps on the starter of his Chevrolet Coupe, and sets about the day's business. Fast driving and knowledge of short cuts are necessary to complete the task before dusk.

Newell's subscribers number several hundred persons who reside each summer in the isolated camps and resort hotels of America's greatest natural park. Until 1928 these vacationists had no means of getting their home town newspapers. Since the route opened the Chevrolet coupe has been in constant service, never missing a day.

The car has already traveled 42,000 miles and has never undergone any major repairs. Thus far the total cost of servicing the car has been only \$58.50.

Newell receives his papers at the Gardiner entrance each day at 10:20 a. m. He makes four stops, about 45 minutes each, at the major camps, and returns to the bunk house at Mammoth Lodge at 6:20 p. m. To do this he must average 32 miles to the hour. His actual driving time is five hours.

L. E. Flint, publicity director of the park recently invited a reporter to accompany Newell over the route. It afforded the writer a splendid view of the park from trails forbidden the average tourist.

When the reporter got back to his office he wrote an enthusiastic description of the enchanting vistas that had been revealed to him. Nor did he forget the ability of the car which swept him through the alluring landscape.

"I never enjoyed a more comfortable ride in a motor car," he wrote. "We traveled through this wonderland leisurely, despite the constant speed that was maintained up-grade and down. The Chevrolet took hair pin turns without a perceptible slackening of speed and the rutty roads never stopped the driver for a second."

## Irvin N. Clary Gets Promotion As Bank Examiner In New York

Irvin N. Clary, former cashier of the Citizens National Bank in Cameron has been promoted to be National Bank examiner for the district of New York, one among the number who serve that district.

Mr. Clary has many friends in the section who will learn with interest his promotion in this department of the government. He had been in New York serving as assistant examiner since he left Cameron a year ago.

Mr. Clary's advancement has been rapid. While with the Citizens National Bank here and for a time with a large bank in Dallas he made a close application of his talents and became an authority on banking. He began his duties here with the Citizens Bank in 1920 rising to the position of Cashier in the course of time.

He has risen to his present place from humble beginning. He was left an orphan at the age of 11 and received his early education in the Odd Fellows home in Corsicana and from this school entered the business world. His success as a bank examiner will be welcome news to his friends and the people of Cameron.

## CLARKSON

There is to be a carnival at the Vogelsang church Friday night, Oct. 11. Everyone is invited to attend.

E. F. Campbell and children and H. A. Lindsey and children and Hazel Douglas motored to Bryan Station Sunday.

Mrs. Herman Schwarting and Ka-

therine Schwarting motored to Oneaville Sunday where they visited in the Will Herring home.

The death of R. H. Denis which occurred Sunday night was a shock to every one. He died suddenly Sunday afternoon and was laid to rest in the Corinth cemetery Monday. The people of the community wish to express their sympathy for the family.

Charlie Friemel and wife, Gus Friemel and wife were Sunday dinner guests of Joe Friemel and wife.

Ed Kinsey and wife were callers of Howard Schwarting and wife Sunday afternoon.

Mrs. T. O. Mitchell was a visitor of Mrs. E. F. Campbell Sunday afternoon.

The young people of the community enjoyed a dance at the new home of Willie Becker and wife on the Gus Pimpler farm Thursday night.

Mrs. W. T. Johnson and Beulah Johnson, Mrs. Howard Schwarting and Mrs. Willard Keith were shopping in Temple Tuesday.

Mrs. John Bell had as her guest over the week end her little sister of near Burlington.

Perry Strickler and Joe Hauk enjoyed a fishing trip Thursday night.

Mrs. Joe Friemel was a caller of Mrs. Gus Friemel Thursday.

John Bell and family, Howard Schwarting, Joe Friemel and family and Gus Friemel and family enjoyed the show in Rosebud Tuesday night.

Ernest Lorenz and wife were Sunday dinner guests of Joe Friemel and wife.

Walter Garrett and sons, Perry Strickler and R. W. Edward enjoyed a fishing trip and a runt Saturday.

Eulala Brown, Ida Fay, Pauline and Irene Starnes and Mrs. Perry Strickler were shopping in Cameron Saturday.

Mrs. John Bell and children were Sunday dinner guests in the McCollum home near Burlington.

Hoarding never meant prosperity. Spending wisely does.

People always howl about spending money. Well, there is the example of Vermont. She has been very prosperous since the flood, because money had to be spent to rebuild that which was washed away.

## PROBATE NOTICE OF FILING FINAL ACCOUNT

THE STATE OF TEXAS,

To the Sheriff or any Constable of Milam County—Greeting:

You are hereby commanded to cause the following notice to be published in a newspaper of general circulation which has been continuously and regularly published for a period of not less than one year preceding the date of this notice in the County of Milam, State of Texas, and you shall cause said notice to be printed at least once each week for the period of twenty days exclusive of the first day of publication before the return day hereof:

## NOTICE

THE STATE OF TEXAS,

To all persons interested in the Estate of Billie Daniels, deceased: Notice is hereby given that J. H. Smilie, administrator of said estate, has filed in the County Court of Milam County his final account of the condition of the estate of said Billie Daniels, deceased, which will be heard by the County Court of Milam County, Tex-

as, at the next regular term thereof, to be begun and holden at the court house in Cameron, on the 7th day of October, 1929, same being the first Monday in October, 1929.

Now, therefore, this is to require all persons interested in said estate to appear and contest the same, if they see proper.

Herein fail not, but have you before said court, on the first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Given under my hand and seal of office, in the city of Cameron, the 11th day of September, A. D. 1929.

Attest: Homer Nabours, Clerk, County Court, Milam County.  
21-4tc By Meta T. McCown, Deputy.

Phones: Office 129, Res. 138.

## YOUR OLD TIRES ARE WORTH MONEY

trade them in  
on a new set of  
**Firestone**

CUM-DIPPED TIRES

THOSE same old tires may cost you a lot of money, however, if you leave them on your car in an effort to get out the last few thousand miles. Smash-ups from skidding—blowouts at critical moments—costly delays.

Better let us give you those miles in the way of an allowance toward a new set of Firestones. We, in turn, sell your old tires for spares without losing any money—a fact which accounts for our generous allowance.

Bring them in, now; don't risk further driving on old tires. It's dangerous!

## FARMERS NOTICE!

We know that you will be glad to learn that we will open a Produce House here at Cameron about October 15, and be in position to buy all the TURKEYS, POULTRY, EGGS, etc., that you may offer us.

We realize that you raise the products that are necessary for the success of our venture, and we are now asking for your support and cooperation.

You will find us liberal buyers, treat you right and pay you what your products are worth at all times.

Knowing that quality products are going to bring the best prices we suggest that you now start feeding your turkeys all they will eat, so they will be fully matured when the market opens.

We will be located in the old Peter Company building. Any time you are in town after October 15 come up and talk things over with us.

## Colonial Homes Surely

## Constructed to Endure

Those who are familiar with the construction methods employed by New England coast house builders of the Colonial period are generally impressed by the foundation work. Today, after a century or more, one may find these foundations unshaken. Labor was cheap in earlier times; construction material close at hand. Perhaps such massive bases for the superstructure were needlessly extravagant, yet one must admire the honest work that has stood the tests of time.

At East Winthrop, Maine, there stands a massive Colonial dwelling, 107 years old, that has one of these typical foundations. It is formed of enormous granite slabs which are laid up three feet thick. It is tradition among descendants of the original owners that three yokes of oxen were required to haul some of these great stones to the spot.

## Moose Given Points of Superiority Over Horse

The Swedish moose is a dangerous competitor to the horse, says a Stockholm Associated Press dispatch.

Some years ago a harnessed moose easily took first place in a horse race, but was refused first prize because the judges decided it was out of the competition.

Moose were used as saddle and draft horses several centuries ago until prohibited by a royal decree, as it was feared a criminal astride a moose could easily outdistance his horse-powered pursuers.

A Swedish country gentleman caught a moose bull as a calf and broke him for mail service. The animal proved more practical than a horse, since no gates had to be opened, the moose clearing them all without difficulty.

At one time a military expert proposed a moose cavalry regiment, as setting that a moose squadron would put fright into a whole horse regiment. The scheme was left untried.

## Paper Has Kept Growth

In the United States the history of paper is the history of the country. When the Revolutionary war broke out there was hardly enough paper available to wad the guns of the soldiers or upon which to write the orders of their officers. There was virtually no paper. By 1810, however, the use had increased to about one pound per capita per year. It had grown to over eight pounds in 1850. The Civil war greatly accelerated consumption, which reached 25 pounds in 1869. In 1878 it was 57 pounds; in 1923, 150 pounds and today the people of the nation annually consume more than their own weight in paper.

## Bell-Ringing Clocks

Perhaps the earliest tower clock with bell-ringing mechanism was one made by Peter Lightfoot, a monk of Glastonbury, England, about 1325, writes Satis N. Coleman in his book, "Bells." Connected with this clock were automatic figures which struck a bell on the hours. These performing figures pleased the public, and many of the town clocks of Europe were provided with such figures to ring the bells on the hours. They were used for proclaiming time long before the introduction of clock dials.—Detroit News.

## Unbreakable Glass

The bureau of standards says that in general non-shatterable glass is of three distinct types. One of these is unusually thick; another consists of two or more layers of glass cemented together with an organic binder, such as celluloid, and the third is prepared by special heat treatment. The first of these can be identified by its relatively great thickness, the second by examining the edge of the glass for laminated structure, and the third by its irregular figures, seen when the glass is examined in polarized light.

## Tinned Stuff Used in Navy

More than 13,000,000 pounds of canned goods are consumed by the sailors of the United States navy in a year. Canned tomatoes take the lead in vegetables, followed by peas, corn and stringless beans. Among fruits, peaches lead, followed closely by pineapple, then come prunes, apple sauce, apricots, pears, figs and raisins. Figs are relatively new in the canned goods products, but the navy uses them to the extent of 540,000 pounds annually.

## Thrifty, Lying Americans?

About one-half of the homes in the United States are owned by men with incomes less than \$2,000. So, after all, this thing of saying Americans are not thrifty is based on imagination instead of facts. We guess that about 75 per cent of what we Americans say is untrue. We have developed into a race of liars, we regret to say.—Athenian Globe.

## MISS LURLIE BETTS BECOMES BRIDE OF LYONS McCALL OF CAMERON ON MONDAY, OCTOBER FIRST IN MEXIA

The marriage of Lyons McCall of Cameron and Miss Lurlie Betts of Mexia was solemnized Monday morning at ten o'clock at the home of the bride's grandmother, Mrs. N. P. Houx, East Sumpter street, Mexia, with Rev. E. H. Hudson, pastor of the Presbyterian church at Mexia, reading the rites of the beautiful and impressive ring ceremony.

It was a simple wedding, taking place in the presence of close relatives and friends of the contracting parties in a setting of fall flowers, with yellow the predominating color. The bride wore a traveling costume of brown crepe with egg-shell blouse, and accessories were in tones of brown. Her bouquet was of pink roses and fern. A sister, Mrs. Herman Hitt of Mexia, was the only attendant, and she wore an ensemble suit in blue and grey with harmonizing accessories.

Mr. McCall, who was attended by

Jim Majors of Cameron as best man, wore a dark business suit.

Immediately following the ceremony Mr. and Mrs. McCall left for San Antonio and other points in South Texas. They will return to Cameron where they will remain for a month or two and will then move to La Ward in the Rio Grande Valley, where they will make their home.

Mrs. McCall is the granddaughter of Mrs. N. P. Houx of Mexia, with whom she has made her home since the death of her mother several years ago. She is a graduate of the Mexia High School and she attended Texas Woman's College at Fort Worth.

Mr. McCall, the son of Mr. and Mrs. W. M. McCall, is a graduate of Yoe High school and of Southwest Texas State teachers college at San Marcos. An athlete of ability, he taught school and coached football for several years after his graduation, and at present is part owner of the Elmo Vaughn Dry Goods Co., of Cameron.

## CARD OF THANKS

We take this method of expressing our sincere thanks to those of our friends and neighbors who assisted us in our bereavement in the death of our husband, father and brother, J. E. Torno. We thank those who gave flowers and all who assisted us in any way.

Mrs. J. E. Torno  
Roy Torno  
Mr. and Mrs. Frank Torno  
Mrs. Elberta Underwood  
Irene Torno  
Mrs. John Radtke.

## The Parting Shot

Mr. Bore, 'I've tried many seemingly impossible feats and succeeded.' Companion (fed up), 'Really! Did you ever try to have the last word with an echo?'

We can say this for our friends, none of them have ever offered us a drink.

'I heard a new one the other day. Did I tell it to you?'  
'Is it funny?'  
'Yes.'  
'Then you haven't.'

He, 'Here comes a friend of mine. He's a human dynamo.'  
She, 'Really?'  
He, 'Yes, everything he has on is charged.'

## Didn't Know It Was Loaded

"A. Schlueter Found Shot Dead by Auto," headline in Pennsylvania paper.

## A Gold Digger

'How does it come that daughter dates with a different boy friend every night?' asked father.  
'Because no boy could afford to date with her more than one night a week,' replied mother.

The other day we got an invitation to a stag party. It read: 'The party will be gin at 9:00 o'clock.'

'John, I hope I didn't see you smiling at that creature we just passed.'  
'I hope you didn't m'dear.'

Please ma'am, may we borrow your phonograph?  
'Do you want to dance?'  
'No, we wanta sleep.'

## MAN FELT BLOATED

For Distress After Meals, He Takes Thedford's Black-Draught and Says He Obtains Relief.

Gulfport, Miss.—"I have used Black-Draught for about five years," says Mr. George Chevalier, of this city. "I keep it in my house all the time."

"When I feel bloated, and have headache after meals, my method of taking Black-Draught is to take from a pinch to a level teaspoonful in my mouth, dry, and wash it down with about half a glassful of water, regulating the dose according to the situation by taking more or less, according to how I feel."

"I usually take a dose on going to bed, when needed, and am relieved next morning."

"I don't know of any medicine that I would exchange for Black-Draught. I believe if anyone is suffering from constipation, and would use Black-Draught as outlined above, he would get relief."

Thousands of other men and women find Black-Draught of great help in relieving common ailments, due to constipation, biliousness and indigestion.

Prepared from medicinal herbs and roots, of highest quality, carefully combined and packaged by automatic machinery.

NC-271  
**Thedford's BLACK-DRAUGHT**

## We Believe In CAMERON

We believe in the present of Cameron and its future.

We believe that there is enough energy and vision and resource in Cameron to get for it anything within reason for a town the size of Cameron.

We believe that by working together for Cameron we can add to its prosperity and its beauty and its civic pride.

We believe that by a united effort we can make the institutions we have better and stronger and more effective. We can bring to Cameron new institutions that will in turn add to the assets of this community.

To bring this about will require the unstinted loyalty of every citizen of Cameron. The end will be achieved in the measure that we work together for Cameron.

## The Cameron Herald

## Grandmother Howell, 90 Years Old Visited By Relatives Here

Grandmother Howell, who is ill at the home of her son, T. A. Howell, was ninety years old Sunday and her children, grandchildren, and great grand children came for many miles to do her honor on this occasion.

Among those here were Mr. and Mrs. Howell Jones, Jesse Jones, B. D. Jones and Mr. and Mrs. Homer Morris, all of San Antonio; Mr. and Mrs. T. E. Wooten and daughter and Mr. and Mrs. Douglas Phillips and two daughters, all of Thorndale; E. M. Howell of Big Springs; Dean Howell of Energy; Frank Howell of Hamilton; Mr. and Mrs. Will Morris of Yoakum; W. C. Herndon and family of Cameron; Mr. and Mrs. Jay Howell and Mr. and Mrs. Hilton Howell and their families of Waco; and Mr. and Mrs. Bill Howell and family of Minerva.

## BEN ARNOLD

Mr. and Mrs. Herman Folschinsky and Mr. and Mrs. Fritz Schwarting visited in the home of Mr. and Mrs. Herman Kruger of Maysfield Sunday afternoon.

Mr. and Mrs. F. H. Becker accompanied by Mr. and Mrs. Albert Dornier motored to Waco Thursday.

Mr. and Mrs. Emil Piske of Rosebud were callers on Mr. and Mrs. L. H. Becker Sunday afternoon.

Johnnie and Louise Reddchase were callers on Lillie Reddchase of Cameron Tuesday night.

Mr. and Mrs. Willie Boecker were entertained by the young people of our community by giving a dance Thursday night. The music was furnished by the Hoff boys. There was a very large attendance and everyone went home in a late midnight hour reporting a wonderful time.

Mr. and Mrs. John Senkel of Cameron were Sunday dinner guests in the home of his parents Mr. and Mrs. Wm. Senkel.

Mr. and Mrs. Joe Friemel Sr., and Mr. and Mrs. Rudolph Friemel enjoyed the show at Rosebud Thursday night.

We are glad to report that Newton

McKinney who is in the Cameron Sanitarium operated on for appendicitis is doing fine at this writing.

Rev. and Mrs. R. Kalkbrenner visited in the home of Mr. and Mrs. E. L. Kosel Sunday afternoon.

The Ladies Aid met with Mrs. H. Barkemeyer Sunday afternoon.

Mr. and Mrs. Ed Dahse were Sunday dinner guests of Mr. and Mrs. Louie Lucko of Rogers.

The young people of our community enjoyed the dance at Skeezix Friday night.

Mrs. Leo Laake and mother-in-law were the guests of Mrs. Willis Vogelsang Monday.

Mrs. Fritz Richter of Karnes County spent Sunday with Mrs. Minnie Barkemeyer.

Edwin Kelm was a caller at the Paul Baring home Sunday.

Mr. and Mrs. Walter Kosel motored to Brenham Saturday to visit relatives.

Edmond Strickler is driving a new Chevrolet Coach.

Albert Sitz of Hamilton and Edgar Sitz were callers on Edna and Selma Harms Sunday night.

Rufus Boeker, Alvin Nolte and Lee Roy Folschinsky enjoyed the show at Cameron Saturday night.

Mr. and Mrs. Adolph Haselman are driving a new Chevrolet Coach.

Juna and Dorothy Schwarting were the guests of Helarie and Gladys Folschinsky Sunday afternoon.

Harvey Carmichael enjoyed the show at Cameron Tuesday night.

Mr. and Mrs. Fritz Richter spent Wednesday night with Mr. and Mrs. Fritz Ottmer.

## SHARP 4-H CLUB

The Sharp 4-H Club meeting was called to order at Miss Malitta Rinn's home Friday evening, October 4, at 1:30. The minutes of the last meeting were read by the secretary. Then the meeting was turned over to Miss

Bartholomew and she showed us different ways of darning cloth.

Miss Bartholomew helped the girls with their things that they are sending to Dallas Fair. We had three visitors which we were glad to have.

After the club meeting Mrs. Rinn served us with sandwiches, cake and grape juice, which the girls all enjoyed.

The last meeting was called to order at Miss Hilda Tag's home. Miss Bartholomew showed us different kinds of stitches. The rest of the evening was spent on culling chickens. We had five visitors which we were glad to have.

The girls that are planning to go to the Dallas Fair are Hilda Tag, Malitta Rinn and Edna Laffere.

## CHRISTIAN AID

Mrs. G. C. Walters was hostess to members of the Missionary Society of the Christian church Monday afternoon. Mrs. Ed Lovick was ledaer and she was assisted by Mrs. Ray Burke, Mrs. W. M. Ryan, and Mrs. Jim Adams. Rev. J. Hardigree, the newly named pastor of the church was a visitor and the meeting was a very profitable one.

A social half-hour followed the program, and the hostess served fruit jello and whipped cream and angel squares.

The ladies of the church will not meet next Monday afternoon but a group of them will go to Temple to the State Convention of the Christian church.

## METHODIST CHURCH

Our organization for the new Sunday school year is ready for all classes and ages. We are expecting to grow. Come Sunday at 9:45.

We are anxious that all of our people hear the sermon Sunday morning on 'Prayer as Communion.' We be

lieve it will help you in your religious experience.

The pastor had many expressions of appreciation on last Sunday night's sermon on 'Tuning in on the Infinite.' Next Sunday night at 7:30 he will preach on 'Static' or the hindrances of hearing. Better hear it.

Wasn't the music and the song service good last Sunday night? We will try to make it as good next Sunday night.

The Leagues are getting their affairs adjusted for the fall and winter work. The Epworth Juniors correspond to the Junior Department in the Sunday school; the Epworth-Hi to the Intermediate; the Senior to the Young People's Department. Let all of every age come at 6:30 Sunday night.

## MISSIONARY SOCIETY

The Methodist Missionary Society met at the church Monday afternoon at four o'clock for a business session with Mrs. R. H. Davis presiding. The devotional was led by Mrs. J. W. Kemp. There were 18 members present.

All officers present made a monthly report. A nominating committee

was appointed, consisting of Mrs. Bob Terry, chairman, Mrs. Willard McCall and Mrs. Howard Baskin.

There will be a zone meeting of all the auxiliaries of this district at Ben

Arnold Thursday afternoon at 2:30 o'clock.

Our preacher says it's a poor religion that can't survive a flat tire.

Mamie Arnold Hefley

Stanton E. Dossett

## The Chevrolet Red "O.K. That Counts" Tag Protects Your Used Car Purchase.

Every reconditioned car we offer for sale is identified by means of the Chevrolet red "O.K. that Counts" tag. This tag is the purchaser's assurance that the car to which it is attached has been gone over carefully by expert mechanics—that it has been thoroughly reconditioned—and that the price is based on the car's actual ability to render service.

Due to the overwhelming popularity of the new Chevrolet Six, we have on hand at this time an unusually large group of these "O.K.'d" cars. Come in! You are certain to find the car you want—at a price that will save you money. Make a small down payment and drive your car away!

## Maysfield

ers at the school house last Friday Mrs. Gill Newton was reelected president and Miss Mildred Massengale secretary and treasurer. Arrangements were planned for a social to be given on Friday evening, October 18. Rev. R. L. Nicholson and Misses Mary Kelso and Mildred Massengale were appointed on the entertainment committee; Mrs. R. B. Mayes was appointed chairman of the refreshment committee.

When the two sides in the Rally Day contest lined up last Sunday morning at Sunday school the 'Whites' were found to be in the lead but it is up to both sides to see who will win next Sunday. Let every body in the community be on hand at the Rally Day exercises next Sunday and make his side beat. There were 51 at Sunday school last Sunday. Just before the exercises closed a special reading 'At Church Next Sunday,' taken from the Christian Observer was given by Ruby Nicholson.

A group of the Christian Endeavor young folk practiced a few songs in the home of Mrs. Jim Barmore Friday evening. Those present were Misses Mary Ethel and Mildred Massengale, Ada Lee Massengale, Josephine Baylor, Bertha Floyd, Mildred and Grace Thweatt, Vera Mayes, Mary White, Mrs. Arthur Peel; Messrs. J. C. Cosby, Elmer Floyd, Valter White and Thomas Ray of ogers.

Mrs. C. E. Brady, Mrs. Preston Laird and Mr. and Mrs. Burnett and children of Cameron visited Mrs. J. Thweatt Sunday.

Misses Bertha, Ruby and Marguerite Baylor spent Sunday with Misses Velma and Evelyn Waits.

Mesdames Mattie Hollinsworth and Ireland spent Sunday with Mrs. Tom Thweatt.

John Thweatt and children accompanied his wife to Cameron Monday morning.

Miss Mary Freeman, a member of the Ben Arnold school faculty spent Sunday with her parents, Mr. and Mrs. Clarence Freeman.

Mr. and Mrs. H. L. Atkinson and daughter, Harriett with Billie and Bettie Freeman, made a business trip to Rosebud Friday.

Misses Susie Butts and Mary Vir-

ginia Atkinson were Waco shoppers Friday.

Mrs. R. L. Nicholson and daughter, Ruby and Harriett Atkinson spent Sunday after Sunday school with Mr. and Mrs. H. L. Yager.

Mrs. Jim Barmore attended an address given at the W. M. U. meeting in Cameron, Monday at eleven o'clock.

Mesdames Tom Thweatt, Ireland and Hollinsworth were pleasant visitors at the manse Friday afternoon.

Rev. R. L. Nicholson preached at Marlow and Hoyte Sunday.

Mrs. Powell Tyson of Rosebud spent Sunday with her parents, Mr. and Mrs. H. L. Atkinson and was accompanied home by her sister, Miss Mary Virginia.

Eight were present at the special meeting of the Ladies Aid held in the home of Mrs. H. L. Yager last Wednesday afternoon. No lesson was discussed but the time was taken up with the rug, embroidery and other work that the society plans to finish soon. During the social hour the hostess served lemon pie, ice box cookies and grapes which were very much enjoyed by the ladies. The ladies attending the meeting were Mesdames H. L. Yager, Wise, E. J. Newton, Roy Newton, R. B. Mayes, Hartsfield and Wm. Freeman. The next meeting will be with Mrs. Gill Newton on Wednesday, October 16.

## Tyler College Places Every Telegraphy Graduate They Have

Every graduate of the Tyler Commercial College Telegraphy Department can be placed promptly when the work is completed. Our Employment Department records show that there is not a graduate of this course now out of employment. This is a most excellent record that we have determined to maintain.

If you are interested in Telegraphy don't hesitate to enroll for this course because of the fear of not getting employment when you complete. Our Employment Department can place you promptly and at a good salary. This department is in touch every day with Western Union Offices, railway offices, oil companies, pipe line companies and telephone companies, and students are leaving here every week for nice positions with these companies.

Our Telegraphy Course is a most

excellent selection for any young man or young woman, especially those who have finished high school. There is a greater need now for well trained telegraph operators than ever before.

If you want a good position at a good salary within six months from the time you enroll, then we recommend our Telegraphy Course. We know that you can be placed promptly when you complete and that you will get a good salary from the very beginning. You will have every opportunity for advancement.

If interested in this or any other business course, will you return the coupon below, writing a letter about yourself with full particulars? Your request will receive our personal attention.

Remember, there is not a graduate of our Telegraphy Department out of employment and that you, too, can be placed promptly. Send the coupon now. There is no obligation on your part.

## NOTICE To Car Owners

The streets have been re-lined to show the regular parking space and anyone parking across these lines will be prosecuted.

Now that school has started and many children are crossing the streets the speed laws are going to be vigorously enforced.

B. SLOCOMB,  
City Marshall.

# Compare features to learn how much more Oakland gives for its price

Oakland has made it easy for you to compare features. In fact, Oakland has made the comparisons itself, tabulating the results in chart form so that you can see at a glance what you get in the Oakland All-American Six as well as what you get in twenty other cars of medium price.

Before you buy any car within \$300 of Oakland's price, be sure to come in and see the complete results of these comparisons. And when you have seen them, we will clinch the proof of Oakland superiority with a demonstration—convincing you beyond any question that this is America's finest medium-priced automobile.

Prices, \$1145 to \$1375, f. o. b. Pontiac, Mich., plus delivery charges. Spring covers and Lovejoy Shock Absorbers included in list prices. Bumpers and rear fender guards extra. General Motors Time Payment Plan available at minimum rate.

Consider the delivered price as well as the list (f. o. b.) price when comparing automobile values. . . . Oakland-Pontiac delivered prices include only authorized charges for freight and delivery and the charge for any additional accessories or financing desired.

*Proof that Oakland is  
America's finest medium-  
priced automobile*

The following facts were obtained from a comparison of the Oakland All-American Six with 20 other medium-priced automobiles. All told, 878 individual comparisons were made. Of these Oakland proved to be distinctly superior in 451 or 51.37 per cent. The 20 cars combined were at best equal to Oakland on 382 or 43.50 per cent. And 13 of the 20 were higher-priced than Oakland!

### WHEELBASE

Only one car as low-priced as Oakland has a wheelbase as long as Oakland's, which is 117 inches. That car requires a turning circle to the left of 42 feet as compared with Oakland's 36 feet. Six higher-priced cars have shorter wheelbases.

### BRAKES

Only Oakland and one other car in its field use the fine type of brakes which Oakland employs. And no car in the field equals Oakland's 290 square inches of brake band area. Oakland's separate emergency brake operates on the transmission. Seven cars in the field have no separate emergency brakes, although three of them exceed Oakland in price.

## Raise the Grade of Your Cotton and You Raise the Price

Sun, rain and soil produce cotton. Whether the grade is high, medium or low depends on conditions—soil, weather, harvesting, boll weevil.

No matter how good your crop is, you can make it worth more money by putting it through

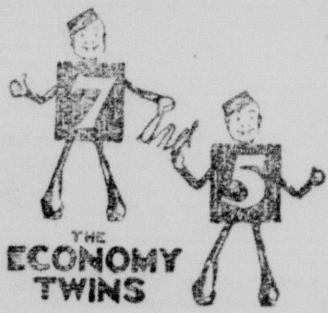

## The Hancock Cotton Picker

Actual spinning mill tests show that this famous machine increases the spinning value of every bale put thru it, by untangling and combing the fibres in a way that preserves their natural length and keeps the 'bloom' on. Clean cotton with a large percentage of uniform staple length reduces spinning waste, for which the spinner gladly pays a premium.

For a Larger Cotton Profit this year, try the Murray-Hancock Way. This Gin is equipped to do it.

# Proper Lighting for Your Home.

**H**AVE you ever really thought seriously about whether your home has proper lighting?

The difference between proper and improper lighting means the difference between full enjoyment of light and just "getting along with what we have."

Electric light is the cheapest convenience in your home. It costs no more to have proper lighting than it does to have makeshift light which fails to give you the full advantage of this modern convenience.

Improper reading light is dangerous. It is a strain on the eyes. You or your family may suffer the consequences of impaired eyesight due to poor lighting without really knowing what caused the trouble. Science has solved the problems of lighting so that you can have the right sort of lights in every room of your home with positive certainty that you will obtain the greatest benefit from their use.

The Texas Power & Light Company has made a special study of home lighting and will welcome an opportunity to go over your home with you and recommend the changes, if any are needed, that would make your lighting most effective.

Let's talk about lighting; it can be of untold value to you.

Let The Economy Twins light your home cheaper than you ever thought would be possible.

**Texas Power & Light Company**  
"Your Electric Servant"

## FIRE PREVENTION WEEK TO BE OBSERVED HERE

### PROCLAMATION OF STATE COMMISSIONER RECEIVED AND WILL BE PLACED IN EFFECT

Fire Prevention Week will be observed in Cameron, the proclamation of the Fire Insurance Commission being received here by Fire Marshal Will Cook. The proclamation is as follows:

In keeping faith with the performance of my duties as Fire Insurance Commissioner of the State of Texas, I want to make an appeal to every man, woman and child to take part in the proper observance of Fire Prevention Week, October 6-12, inclusive.

Fire Prevention is a subject that had its beginning with the progress of man. When man began to build, his first and most serious problem was that of how to prevent fire from destroying that which he had built. There is no problem of more importance to the American people at this time than the one which has been created by our extremely heavy fire loss.

Fire is a destroyer of life as well as of property, and is surpassed only by automobiles in the number of people killed each year. Fire is classed as a careless accident by some people. An accident is the result of doing something in the wrong way. The remedies for all kinds of accidents, including fire, have been aptly grouped under the three E's—Engineering, Education and Enforcement, and the greatest of these is education. We need to educate our people to demand proper building and equipment, better laws and stricter enforcement.

There is a cause for every fire that occurs and the finding and the elimination of this cause is the one big purpose of Fire Prevention. Fire hazards may be divided into two classes, physical and moral, or personal, as they are sometimes called. Thy physical hazards are inherent in the risk itself and in its surroundings, and may be partially measured or estimated and to a certain extent controlled. Moral hazards arise from personal factors and are hidden, presumed rather than known, not to be measured or scheduled.

It is our observation thru a clipping bureau, that there is not enough interest being manifested in Fire Prevention Week, and it is for that reason we are now issuing this appeal thru the newspapers of the State. We have put forth more effort preceding Fire Prevention Week this year than any previous year, but in spite of this fact there seems to be very little action on the part of our people to observe Fire Prevention Week. We are making this final appeal to all city officials, club officials, patriotic officers and the public in general to join together in the proper observance of Fire Prevention Week.

Our annual fire loss for the past five years has been approximately 250 people burned to death, with an annual loss of \$20,000,000. We are paying for this loss in everything we eat, drink and use. The cost of fire is certain and cannot be escaped by any. How long can we continue to pay this annual cost and be a progressive people?

Fire Prevention is BY the people, OF the people and FOR the people.

J. W. DeWeese,  
Fire Insurance Commissioner.

### GAUSE

Mrs. Ira Blackman of Thrall spent several days with her mother, Mrs. D. D. Todd. While here she and her mother called on Mrs. L. O. Bowling, Mrs. J. T. Timmons of Gause and Mrs. Bob Todd of Cameron.

Mr. and Mrs. D. K. Lankford, Mrs. A. McDonald and Mr. and Mrs. Roy Walston are visiting their parents, Mr. and Mrs. Adrian McCowan.

Mrs. W. W. Lantrip and children, Dorothy Belle, Joy, Billy and Katherine of Cameron were the guests of Mrs. Gladys Ervin Sunday.

Mr. and Mrs. Stewart and children of Tracy visited Mrs. Mattie Ditto Sunday.

Mr. Walker of Waco came to Gause Friday and took his daughter, Miss Mary Sue to Waco to spend the week end.

Mrs. D. H. Slaughter and Mrs. D. B. Gunn of Cameron, Mrs. W. Y. Self and Miss Annie Hare of Port Sullivan were the guests of Mrs. R. B. Self.

The Western Public Service Company held a cooking demonstration school in Gause Thursday and Friday under the direction of Mrs. Ballinger. Many ladies attended the school both days and much was learned. Mrs. Ballinger gave a number of good receipts using several in the demonstration of the Westinghouse automatic electric stove.

Malcolm Timmons and Miss Ima Hardcastle, both of Gause were united in marriage at Waco Thursday. Mr. and Mrs. Timmons have many friends

in Gause; all wish them a very bright and happy future. Mrs. Timmons was a member of the Gause school faculty the past two years and will teach in the Hanover school this winter. The young couple will make their home in Gause.

Mr. and Mrs. J. H. Thomas and daughters, Emma Howard, Elaine and Juanita of Rosebud were guests in Gause Sunday.

Clarence Todd of Houston spent the week end in Gause visiting friends and relatives.

A box supper was given at the Pin Oak school house Saturday night. Many enjoyed the eats, drinks and the happy gathering. Money was raised for the benefit of the school.

L. J. Bowling and son, Merton, motored to Houston Sunday. Mrs. Lee Hickman and children returned with them.

Frank Ealand and Dan Todd left for Seguin Sunday.

Mr. and Mrs. Richard Hurbst of Houston visited Mr. and Mrs. Green Sunday.

Mrs. A. R. J. Ealand left Sunday for Houston where she will visit this week.

Mrs. Blanche Wall of Gause has returned after a lengthy visit with her sister in Comfort.

Mr. and Mrs. Jim Stroud of Cameron were guests of Mr. and Mrs. J. Morgan Friday.

Mr. and Mrs. Joe Ferguson and granddaughter of Milano visited Mr. and Mrs. H. O. Lee Saturday.

Mr. and Mrs. Wright of Orange are visiting their parents, Mr. and Mrs. J. E. Pharris.

John McLerran of Cameron and son Ben, of California, were guests of Mr. and Mrs. John Morgan Sunday. The Messrs. McLerran have just returned after a trip in Oklahoma.

Mrs. Henry Thorpe and daughter, Mrs. Knox Tidwell of Hearne were the guests of Mrs. L. S. Cunningham Sunday afternoon.

Rev. Weeks, pastor of the Methodist church filled his regular appointment Sunday. The electric lights, which have recently been brought to Gause, were dedicated Sunday evening. Rev. Weeks had arranged a very good program for the dedication of the lights and many came and enjoyed it.

F. M. Hauptfleisch and daughter, Helen and Mr. Hickman attended Sunday school at Branchville. Sunday morning then Mr. Hauptfleisch preached for them at the church hour.

Mr. and Mrs. G. W. Kilpatrick Sr., Charlie and J. M. Kilpatrick and Mrs. George Bland visited relatives near Wheelock Sunday.

The Pin Oak school opened Monday. Miss Helen Hauptfleisch is teacher of the school. Several patrons were present for the opening exercises. Rev. Weeks addressed the pupils with a very interesting and encouraging talk. Nineteen pupils were enrolled and more are expected to enter later. Miss Helen taught a very successful school at Pin Oak last year and we all wish her even greater success this year.

### Gause P. T. A.

The Gause P. T. A. met Monday night at the school auditorium. A large number of patrons were present and the secretary reported 22 paid up members.

A very nice program had been arranged by the teachers. Several readings, piano numbers and talks were included in the program. The business session followed this. The P. T. A. urges all patrons to join their organization. They will enjoy the meetings and feel a deeper interest in the school by being a member of the P. T. A.

### Seek Extension Gas Mains To Addition

Prospects for an extension of gas mains to the Green Addition to the city of Cameron seemed encouraging today as a canvas was being made among property owners in that addition.

Four inch mains are to be laid if the required amount of money is raised. All property owners cannot be served but many are contributing to secure the benefits of gas for that section of the city.

### Eugene Wade Better At Cameron Hospital

Eugene Wade, who is alleged to have slashed his throat with a razor on the afternoon of September 30 following a shooting at the home of a neighbor in which his wife, Mrs. Wade was shot and almost instantly killed, is in the Cameron hospital recovering from the injury.

Wade has been charged with murder in district court here following the

shooting and as soon as his condition improved sufficiently he will be taken to the county jail, according to Sheriff Blaylock.

### JOHN A. GREEN

Funeral services for John A. Green who died at his home in Cameron Tuesday morning, October 1, were held Friday afternoon from the residence with Rev. W. R. Minter of Austin the officiating minister. Interment was in Oak Hill Cemetery. Pall bearers were nephews of the deceased: George McGehee, Homer Collier, S. M. Burns, Nathan McGehee, Charles McGehee and Albert Green.

Mr. Green is survived by his wife and seven children: Mrs. George Antrim of Cheyenne, Wy., Miss Helen Green of Houston, Misses Lucille and Ruth Green of Cameron; George Green of Seattle, Wash., and Walter Green of Port Angeles, Wash.

## DODSON'S SHOWS FOR 1929 COTTON PALACE

### Twenty Distinct Attractions and Fourteen Rides to Be Shown at Waco.

Waco, Texas.—Dodson's World Fair shows will feature the Cotton Palace War Path this year, exhibiting twenty distinct attractions and fourteen rides.

The Dodson shows enjoy the distinction of being one of the largest carnival attractions in the country, with 600 people participating in its various activities. Press reports are unanimous in declaring that the Dodson shows have been practically rebuilt in the last few years, with many new and novel features never before seen with a carnival attraction.

### Great Variety of Shows

Twenty-two different tented theatres and 14 rides feature the enlarged Dodson carnival. Some of the headliners are "Zazzamar," ape with the human brain; Sailor Harris, with the Lord's prayer tattooed on his back; Scout Younger and his "End of the Road"; Mule-faced Girl, born in a barn, eats hay; Pressler the Great, strong man and knife-brower; Val Coogan in Hindu mysteries.

The Dodson shows enjoy the unique distinction of being the only tented show carrying its own minister, who directs religious services for 600 show people. He is "Doc" Waddell, member of the Ohio Methodist conference. Services are held regularly for the show people, and he "circus" minister also preaches in the different communities in churches that invite him.

A number of high-class free acts are being booked for the 1929 Cotton Palace, Secretary S. V. Mayfield has announced. These acts will be seen at different locations on the grounds during the day and evening, with the idea in mind of providing something of interest to Cotton Palace patrons, regardless of where they may be in the Cotton Palace enclosure. Some of the acts will visit the different buildings, while others will confine their activities to the open spaces.

### PRIZES TO BE GIVEN FOR BEST COMMUNITY EXHIBIT

Waco, Texas.—Rivalry is expected to be keen for the prizes offered in the community exhibit department of the 1929 Cotton Palace, according to R. S. Miller, county agent, who is the superintendent of this section and is daily answering inquiries as to the rules and regulations to govern the exhibit and the awarding of prizes.

The rules provide that the display from each community shall be confined strictly to agricultural and home products grown and produced in the community making the exhibit. A community shall consist of a radius of three miles from the community or school—one or the other must be specified. An affidavit must be made that all products contained in the exhibit were grown in the community represented, with the exception of edible nuts and meats, which may be of the 1928 crop.

## Another Biggest Bank Poor Broker—Sold Short Our Disgraces A Fight for John D.

Again 'The world's biggest bank' makes its bow, bigger than any thus far.

Charles E. Mitchell, head of New York's National City bank, absorbs the Corn Exchange bank, creating an institution with resources of two thousand five hundred millions of dollars.

This one financial giant will have 10 branch banks in New York. The old-fashioned million has given way to the new 'billion.'

When will the TRILLION be transferred from books on astronomy to the books of United States bankers?

In Wall street a broker has closed up. His story is sad and brief. HE SOLD SHORT. And, most strange, he sold bank stocks short.

To 'short' a bank stock with banks getting from 10 to 20 per cent for money on call, calls for an investigation in lunacy.

The Prince of Wales buys his first airplane, making his first flight as an owner to see his father at Sandringham. It is a G. H. Gypsy Moth, price only \$3300.

The prince would not buy anything not 'pure British.' The little Moth makes ninety miles an hour, is painted bright red and blue, and carries a silver plate marked 'H. R. H., the Prince of Wales.'

We have an assortment of 'national disgraces.' One, our high percentage of illiteracy; another, the high efficiency of bootleggers, hijackers, organized criminals.

Another is the official usury established by the federal reserve as a basis for dealing in American securities.

Our worst disgrace is the fact established by the American Association of Obstetricians, Gynecologists and Abdominal Surgeons, that this nation has the highest maternity death rate in the civilized world.

Of the thousands of mothers dying every year in childbirth, 65 per cent are killed by septicemia and toxemia, both preventable.

You read that the naval conference will depend largely on what Japan wants and agrees to. The powerful face of the Japanese Premier Hamaguchi, who will do the deciding, tells you that Japan will talk plainly.

If Uncle Sam and Britain cannot agree Mr. Hamaguchi might be useful as a good excuse.

Why doesn't Uncle Sam decide for himself what he wants in airplanes, cruisers, submarines and everything else? Do we NEED the approval of another country?

Col. R. W. Stewart, formerly head of Standard Oil of Indiana, beaten in a fight with Mr. Rockefeller has gone to England. Perhaps he goes to join the Shell company in a great British oil merger and anti-Standard oil fight.

Colonel Stewart will visit Sir Henry Deterding, head of the British 'Shell,' the biggest Rockefeller rival in the world's oil trade.

If the British want action and an American representative who knows the oil business, they show intelligence in selecting Colonel Stewart.

It looks like a real oil fight. Betting is wrong, and apart from that it might be unwise to bet against the Rockefellers. They have never acquired the habit of losing.

News from Jerusalem that will doubtless cause indignation and mass meetings tells of the arrest of 44 Jews of Haifa, held without bail, accused of premeditated murder of Arabs during the recent Arab-Jewish riots.

The President announces the appointment of Harry F. Guggenheim as ambassador to Cuba.

Cubans will welcome Mr. Guggenheim, representing an able and powerful American family well.

Americans will be glad to hear that Mr. Guggenheim's work for aviation in America is conspicuously recognized.

Happy Free State of Ireland! It lacks the blessing of prohibition, but on the other hand it lacks our stupendous crime wave.

Irish military barracks are being changed into dwellings for workers. And Irish prisons are changed to broadcasting stations and other uses.

While this country multiplies its prisons, containing thousands of prisoners, with occasional frightful rebellion, the Irish Free State reports a total prison population of 700.

Britain is disturbed because the na-

## CAMERON MEN ATTEND VICTORIA MEETING

### NATIONAL HIGHWAY TO BE DISCUSSED AND CAMERON IS INTERESTED

A delegation of business men left Cameron Thursday morning for Victoria to attend the good roads meeting there which has under consideration a national highway connection which will traverse the old Sap highway designation and connect the two countries.

Cameron is vitally interested in this project. Secretary W. M. Cobb of the Commercial Club was working Wednesday on a delegation to represent Cameron.

County Judge Jeff T. Kemp, A. F. Mitchell, engineer, and Commissioners Fuchs and Hairston left Wednesday for Victoria where they will attend the meeting.

Among those included in the delegation from the Commercial Club are W. M. Cobb, John C. Young, J. D. Debbins, F. E. Jackson. It was believed an additional number would attend from Cameron.

This is one of the most important road designations for Cameron in recent years.

This matter was first brought to the attention of the Commercial Club by Mr. Cobb who feels that the proposed highway will be the most important contribution to Cameron in recent years. The matter of securing this road seems to be only a question of completing certain links in the road. The meeting at Victoria will have under consideration all the factors contributing to the success of this road, with Ross Sterling of the Highway Commission delivering the principal address.

The route, according to Mr. Cobb, in addition to following the Sap highway designation through this and other counties will go from Cameron to LaGrange through Giddings and straight to Hallettsville and from Victoria to the Mexican border where it will connect with a national Mexican highway.

This road according to Mr. Cobb will have the importance of attracting the federal government to be available in cases of military operation or other transportation incident to government business.

Cameron is soon to have direct connection with Houston over a paved road which makes travel 35 miles short of the present route through Bryan.

Only a few links remain to be closed, one of them will be in Milam county to complete the important route through Cameron to Victoria and the Mexican border.

## W. M. COBB IS ELECTED SECRETARY OF CLUB

### COMMITTEE CHAIRMEN NAMED BY PRESIDENT F. E. JACK- SON MONDAY NIGHT

W. M. Cobb, former editor of the Cameron Enterprise and for a number of years secretary of the Cameron Commercial Club was elected secretary again at the meeting of the directors on Monday night to serve for the ensuing semi-annual period.

In addition to the election of a secretary President F. E. Jackson named the following committee chairmen for the next term: M. G. Manning, transportation; W. J. Watson, civic improvement; P. C. Colgin, agriculture; T. A. Fisher, finance; W. H. Shipp, investigation; George Gott, home industry; T. S. Henderson, Sr., good roads; B. V. Roberts, membership; H. E. Garner, rural route; J. B. White, publicity. S. A. Cottle, oil and gas.

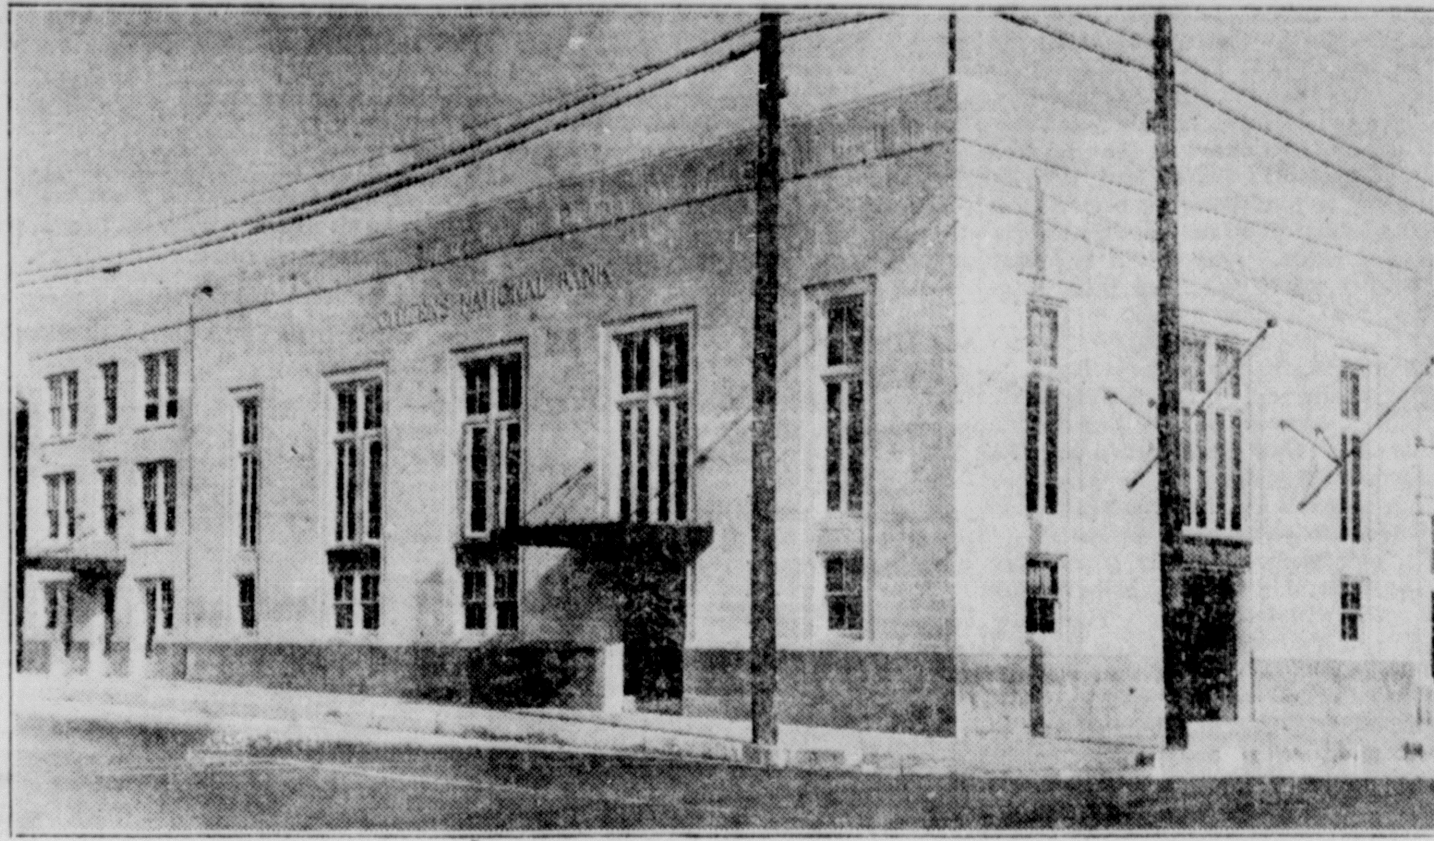

Mr. Jackson expects each committee chairman to attend the meetings of the club and to assist the directors in the business of the club. Good interest was shown in the meeting and the coming semi-annual period promises to be one of unusual benefit for the city.

**\$2.50 REWARD**

## W. E. GAITHER BUYS THE TEXAS AGENCY HERE

### PURCHASE MADE FROM J. H. PRIMM WHO WILL LEAVE CAMERON FOR HOUSTON

W. E. Gaither of Cameron has purchased the agency of the Texas Company here from J. H. Primm. The deal was closed last week and Mr. Gaither has taken charge of the affairs of the agency in Cameron.

Mr. Primm who has owned the agency for several years will leave Cameron in a few days for Houston where he expects to continue his service with the company, possibly buying an agency in some other section of the state. Mr. Primm has made many friends in Cameron and gave the company a wide distribution of its products.

Mr. Gaither has been agent for the Texas Company at Rockdale for a number of years in connection with his Ford agency there and is well known to the trade in oil circles. He recently completed a home in Cameron and has moved here to make his home.

## Fashion Exhibit At Cheeves Big October Selling Event

The Fall fashion exhibit at Cheeves Brothers store in Cameron announced in The Herald last week with posters in addition mailed to the people of the territory is proving one of the greatest sales events for October in recent years.

The double page advertisement has brought many buyers from over the territory to the Cheeves store in Cameron and the great fashion exhibit will continue to attract buyers of good merchandise through the fall season. Looking over this big sale one sees many attractive lines of goods announced for the exhibit. This is not a sale in the ordinary sense of the word but an extraordinary exhibit of fashionable goods for fall and winter in every department of this big store.

Trading advantages will be attractive at the big store 'on the square' all during the fashion exhibit and the sales each day since it began last week have been heavy indicating a fine response both to the low prices prevailing and the standard brands of goods included in every department.

Every department of the big store is crowded to capacity with goods for fall wear. 'We have the largest and most complete stock in recent years,' said Mr. Cheeves, 'and we are well pleased with the selling of goods since this fashion exhibit began.'

The exhibit and price quotations continue for several weeks. The advertising matter for the sale was purchased at home, a policy the store has maintained all through the years.

## Legion Will Plan For Armistice Day Dinner For E-Service Men

The Edwin Hardy Post No. 9 of the American Legion will meet in the District Court Room, next Tuesday, October 15. The election of officers for the coming year will take place at this meeting and every ex-service man and Legionnaire should be present. Plans will also be formulated for the annual November 11 dinner that has become one of the big events of the year for the Legion in Cameron and Milam County. It is the desire of the Legion that every ex-service man in this community be present at the November 11 dinner this year.

## Two Million Dollars Moves Over the Streets of Cameron

After the close of business Wednesday, the Citizens National Bank moved from its temporary quarters in the Denson building to its palatial, new home just completed on its old location.

This movement of more than two million dollars of cash and securities belonging to the bank plus a large amount entrusted to it for safe keeping by its customers was accomplished without a hitch and was so orderly that it was scarcely noticed.

The actual money of the bank was locked in its two large safes with the time-lock set for Thursday morning at 8:30 o'clock and the workmen rolled the safes with their valuable contents across the street with only two armed guards. These guards, however, were unnecessary as the safes themselves are burglar proof and their own heavy weight precluded the thought of robbery.

## YOEMEN ARE VICTORS IN OPENING GAME

### DIERR LEADS SCORING WITH FOUR TOUCHDOWNS IN GRID BATTLE HERE FRIDAY

With Pro 'Ham' Dierr setting the pace the 1929 Yoemen opened their home season by swamping the Rosebud club to the tune of 62 to 0. Every member of the Yoemen squad played well, exceptionally well and the 1929 season bids fair to be one of the best ever had by the Yoemen.

Dierr led in the scoring with four touchdowns. These touchdowns came as the climax of several long runs. Once he side stepped his way for 45 yards and a moment later repeated for 35 yards. He was assisted in the scoring by Smith and Keith with two touchdowns each and Manning and Atkinson who crossed the line one time each.

The Yoemen journey to Navasota this week. They expect a hard battle but intend to add another victory to their belt.

## Car Load Furniture At Green Brothers

The Green Brothers store has received several car loads of furniture this month and the stock is complete. In this issue will be found a large display advertisement from the company telling of the new goods now on display at the store.

Mr. Green also reports a new shipment of Majestic radio sets and the sale in these sets continues brisk. 'We are receiving new shipments every few days and our stock is full and complete,' said Mr. Green.

## J. R. Hunt Collection of Indian Relics On Display at Herald

The J. R. Hunt collection of Indian relics, arrow heads and spear heads are now on display in The Herald office building and may be seen by the public.

Mr. Hunt has these relics encased. There are 450 of them and some of the finest known in America. These relics have been gathered by Mr. Hunt after many years of search and they are not for sale. They have been brought to Cameron by Mr. Hunt for the education of the people and the children especially.

The building formerly occupied by the A. E. Green insurance agency has been set aside and will be used for a museum. Within a few days other displays will be placed there. Mr. Hunt was in Cameron Thursday completing the work of arranging this display.

## Watch From Thomas Store Found Wednesday In Brownwood

A watch stolen from the store of George A. Thomas and Sons in Cameron on the night of September 30 when the store was robbed was found in a pawn shop in Brownwood Wednesday according to Sheriff Blaylock.

The discovery of this watch is the first clue so far obtained in the search for the thieves. According to information here the watch was said to have been sold there by a man claiming to be a circus representative. Information of the robbery was sent to all officers in Texas by Sheriff Blaylock.

On the night of this robbery thieves also entered the freight house of the Southern Pacific railroad and took 11 cases of cigarettes.

The officers are working on the case from every possible angle in an effort to apprehend the thieves.

## World's Series Here By R. C. A. Radio Sets

Baseball fans are thoroughly appreciative of the courtesy of the Cameron Furniture Company in receiving the returns of the World Series being played between Chicago and the Philadelphia Athletics.

These returns are being received through the loud speaker installed on the awning of the store. The R. C. A. radio set is proving a popular as well as efficient utility in the receipt of these returns.

Many of these sets have been sold in Cameron and the Cameron Furniture Company has an attractive display of these models.

The Cameron Furniture Company has recently received a large shipment of new furniture for the fall season business.

## CABARET DANCE AT SKEEZIX THURSDAY

On next Thursday night an innovation in dances is to be given at Skeezix. A cabaret dance sponsored by the American Legion and featuring the Texas University Troubadours and the juvenile vaudeville star Patsy Sweet. The Troubadours are well known here having played here before and are always greeted with a large crowd. Lee and Tom Howell, former Cameron boys are members of this popular orchestra. For the regular Saturday night dance for this week Mr. Cammer has secured a popular negro orchestra from Houston.

Clifford Barmore of A. & M. College spent last week end in Cameron with his parents, Mr. and Mrs. Jewel Barmore.

Mr. and Mrs. Bert Miller and Kathryn Lovick and Bob McCown attended the show in Rockdale Monday evening.

## ONE DEAD IN CROSSING CRASH HERE TUESDAY

### MRS. JESSE HENRY KILLED WHEN SANTA FE FREIGHT STRIKES CAR

Mrs. Jesse Henry, 65, was almost instantly killed here on Monday, October 7 at the Santa Fe crossing near Marlow when a freight train struck the car in which she was riding with Mrs. Hicks. The car was said to have been stalled on the tracks as the train approached and there was no opportunity for escape.

Mrs. Hicks who was severely injured is still in the Cameron Hospital recovering from her wounds.

An ambulance from the Green Undertaking Company went to the scene of the accident and took the injured to the Cameron Hospital. Mrs. Henry died shortly after arriving at the hospital, her injuries being of such nature as to prevent any effective relief by the surgeons.

Mrs. Henry was a native of North Carolina and was 65 years, 3 months and 11 days old at the time of her death.

Funeral services for Mrs. Jessie Henry, who was killed in an automobile-train collision Monday afternoon were held at Marlow Baptist church Tuesday afternoon at three o'clock, with Rev. Nicholson, pastor of the Presbyterian church at Maysfield, officiating. Interment was in the Marlow Cemetery, Green Brothers in charge.

Pall bearers were Sherwood McLerran, G. A. McDermott, Erskine McDermott, Billie Bickett, Virgil Coward and F. F. Burnett.

Mrs. Henry is survived by three sons: E. A. Henry and S. J. Henry of the Marlow community and W. C. Henry of Dallas.

## PAINT EXPERT SAYS COLOR ERA IS HERE

### SHERWIN-WILLIAMS COMPANY HAS BIG SALE THROUGH THOMAS DRUG STORE

H. A. Sullivan, representative of the Sherwin-Williams Co., paint and varnish makers, with headquarters in Houston has arranged for a big educational and publicity campaign thru their local distributor, the George A. Thomas Company.

Mr. Sullivan said it was the consensus of opinion at his company's recent national merchandising conference at Chicago that the present great demand for bright colors would keep growing.

'No less an authority than Dr. Julius Klein, Asst. Secretary of Commerce told us that in his opinion this urge of color is not a craze nor a fad but a reflection of a new living standard,' said Mr. Sullivan. 'Dr. Klein, also told us the public wanted paints not just for their protective value but to make things more beautiful. He referred to the color vogue in typewriters, pens, kitchens, bathrooms, furniture, floors, airplanes, shoes, golf balls, and a thousand and one other things including B. V. D's, as representing serious demand for brighter things.'

'Our decorative experts,' continued the representative, 'told us that millions of women are using small package enamels and brushing lacquers in bright hues. Greens, reds, orange, yellows, and strong contrasts are in big demand. We have sold over 23,000,000 packages of our Rogers Brushing Lacquer alone to meet this demand.'

'The country is exceedingly prosperous according to our President, George A. Martin,' said Mr. Sullivan. 'Mr. Martin pointed out that the country has billions in wealth, people are buying, and there is no cloud on the horizon unless it might be too much prosperity. Mr. Martin stated that the Sherwin-Williams business for the year just closed on August 31, would approximate \$74,000,000 in sales and it was the biggest year in the Company's 63 year history. Mr. Martin referred to August sales as breaking all records, with gains averaging about \$500,000 each week, over the corresponding weeks a year ago,' said Mr. Sullivan.

The George A. Thomas and Sons Drug store stated 'their company had prepared to meet the growing demand for colors in the home and are better equipped than ever to give complete information on Paints, Varnishes, Enamels, and Lacquers, as well as all decorative problems to property owners in Cameron.'

Mr. and Mrs. Billy Marek and daughter, Billy, and Grandma Matusch were visitors in McGregory Sunday.

## Texas and Texans

By Will H. Mayes

### Texas Prisoners Escape

This column deals mainly with the constructive things that are being done in Texas, but occasionally the writer is tempted to turn aside to say something about matters that can not be placed in that category. Perhaps the recent escape of 18 prisoners from the tubercular farm near Huntsville may be placed in that class.

The men who escaped were nearly all long-term prisoners, some of whom had made previous escapes from the penitentiary. They were sent to the Wynne farm, it is reported, because they were 'unable to work.' Yet they were able to make an opening in the kitchen floor, and dig a three foot tunnel, seven feet below the ground for a distance of 70 feet, hide the dirt while at work for 30 days on the tunnel, and make their escapes without arousing the suspicion of any penitentiary officials or guards.

It is doubtful if a better argument could be advanced for rebuilding and 'reforming' our penitentiary system.

### Who Wants a Penitentiary?

The penitentiary committee which is preparing its report after spending the summer on an extended tour of inspection over a large part of the country, will doubtless recommend that the penitentiary be centralized in a plant to cost from \$5,000,000 to \$10,000,000 somewhere within 20 to 50 miles of Austin. When the legislature meets again and the matter is submitted to it, in all probability there will be a long-drawn fight, and it may result in nothing being done. Some of the members who did not go on the inspection tour are already expressing their opposition to the adoption of the committee's report. It is doubtful if any community near Austin will consent to having a penitentiary system located in it without a hard contest. Texas is still far from a solution of its penitentiary problems.

### Penitentiary a Disgrace

Governor Moody cannot suppress his indignation when he thinks about the Texas penitentiary system, and the continued mismanagement that has cost Texas so much money, with the only net result being that it has made criminals all the more hardened. Governors before Moody have urged that something be done to better conditions and committees time and again have made reports in line with the findings of the most recent and the most expensive committee, but the legislature has always ignored all recommendations for a centralized penitentiary system, economical business management, and firm but humane treatment of prisoners. There is nothing in the personnel of the present legislature worth while being done.

### Blanton Resigns Position

W. N. Blanton, the man who has done much of the hard work that has been responsible for the success of the East Texas Chamber of Commerce, has resigned the secretaryship of that organization to become secretarial manager of the Houston Chamber of Commerce. Not long ago Homer E. Wade resigned from a similar position with the West Texas Chamber of Commerce to become manager of the Dallas organization.

Both of these hard workers are to be commended for the wisdom they have shown in 'getting from under' before their organizations are wrecked by politics, which is more than likely to be the result if they are inveigled by political leaders into the campaign for an enormous road bond issue for Texas, as now seems probable.

Texas once had an influential State

Chamber of Commerce, but it was converted into a political lobby at Austin and went the way of all business organizations that forget business for politics.

### 'Well, Did You Ever?'

Judge John A. Valls, district judge at Laredo, has resigned that position which paid \$5000 a year to again become district attorney at \$4000 a year. He has served some 26 years as district attorney and had been a judge only a short time and the lawyers who practiced before him say he is a good judge, but when R. L. Bobbitt resigned to become attorney general, Judge Valls asked to have his old job back. The reason he gave was that he had been district attorney so long that he had come to like the work better than having to try civil law suits that come before a judge. After all it is better to do the work one likes best, even if it doesn't pay so well.

### San Antonio-San Angelo Road

The promotion of the railway line from San Antonio to San Angelo announced that they have ironed out the objections that have been urged to their proposals by the other railroads and are now in position to go ahead with their work of securing the rest of the necessary money, after which the work will be started. The new road is to be capitalized for \$1,800,000 and about \$800,000 of that amount has been subscribed. It will cost approximately \$6,300,000 but when the stock is subscribed and paid in, bonds for the rest of the money will be floated.

### Rio Grande Valley Building

John E. Bell, secretary of the San Benito Chamber of Commerce, who seems to be good at figures, says that the Lower Rio Grande Valley has in the last two years spent \$100,000,000 in improvements, of which three-fourths has been for public improvements and the other fourth for business and residence buildings. The territory included in the Valley is the three counties at the South point of the State, where so much fruit and vegetables are grown.

The marketing of the fall crop is just starting and it is estimated that 30,000 cars will be needed to get the fruit and truck to market. If you are good at figuring, you can work awhile on the amount of money that should bring into the three counties.

### Electrical Output

It is painful to a Texan to run across anything in which Texas does not lead all the country, but figures can't be disputed except by statisticians and income tax experts. Texas is 13th, among the States in the output of electric current, or was in 1927, even West Virginia and New Jersey leading this State.

The use of electricity, however, is almost new in Texas, and by 1937 Texas will have moved up beside New York, Pennsylvania, California and Illinois, in consumption of electric current.

### Showing Good Sense

Speaking of electricity is a reminder to mention that Granbury in Hood county, has refused to sell its municipally owned light plant to a utility company. Even if a small town plant isn't quite as good as it might be and maintenance expense is a bit high, the

small cities should be mighty slow to turn over to outside corporations.

### Sheep and Goats

That section of Texas known as the 'Hill Country,' with Kerrville as about the center, reports a large increase in the number of sheep and goats over the previous tax rendition. In Uvalde county, there was an increase last year of 36 per cent in the number of sheep. The goat increase was 8 per cent, but the county already had about as many goats as it could hold, the number counted being 155,155.

If you ask the average tourist about the country he has traveled through, he will begin to tell you how many miles he can make on a gallon and how many miles he makes in a day. He does not know much about the country he has traveled through.

The Ohio State Journal reports that it has in mind several truck and bus drivers that it intends to do something to the very first day after the week inherit the earth.

New styles in men's clothing are said to be more like the women's clothes. May the Lord help us if the men display their shanks.

Repair Work

Mrs. Willebrandt has a scheme for prohibition enforcement, but it is nothing new—that is the idea is not new. But it would be a new way to enforce prohibition.

A man can fool all of the women part of the time and even some of the women all of the time, but you can't fool the same woman, the same way, all the time.

### NOTICE

Everyone is invited to attend and enjoy the Carnival and Box Supper at the Vogelsang church, Friday night, October 11, 1929. 23-24c

# The New Essex

Makes and holds its friends not only because of its exceptional merit but because we put behind it a spirit of courtesy and a maintenance system that is almost as good as the car. The interest we take in the customer adds just that much to the desirability of buying here.

The Essex is the best of its kind and that has been proven. Those who have bought cars and tires and other merchandise here know that the service we render is the best also.

The New Essex Super Six is a wonder car. The factory deserves that credit. We cannot build Essex cars here but we have spent days and nights perfecting our service to match it. The Essex owner will testify about the spirit of our business.

## Horstmann Brothers Tire Store

## FREE! FREE!

This should convince the most skeptical that we have something far superior that enables us to graduate at half the cost and in half the time of others, a more efficient stenographer, secretary, bookkeeper, or accountant.

## TUITION FREE

If you will give us the salary you earn in the time we save you over the time required to complete a similar course in a school teaching other systems, we will give you your tuition absolutely free. We do this to prove beyond a shadow of a doubt the wonderful advantages of the Famous Byrne Simplified Shorthand and Practical Bookkeeping, which is taught in the three Byrne Commercial Colleges, Dallas, Houston and San Antonio. They are the only commercial colleges in the state permitted to teach these famous systems, which have trained over 50,000 young men and women. These systems are completed in half the time and at half the cost of others. In addition to the advantages we possess with the Famous Byrne Systems, we have our original method of individual advancement, which means much to the students progress and the thoroughness of his training. Fill in for free catalogue and mail to one of our schools.

## FRIDAY & SATURDAY SUGGESTIONS

## SHERWIN-WILLIAMS PAINT HEADQUARTERS

THERE'S NO PAINT BARGAIN LIKE GOOD QUALITY!

You need  
fewer gallons  
of SWP

to paint your house

Fine old SWP House Paint has such wonderful "body" that each gallon thoroughly covers more square feet of wall.

That is one reason why SWP House Paint costs no more than cheaper paint on your house. The saving on gallonage does it—regardless of the price per gallon.

In addition you get the superior quality of SWP—the more beautiful, weatherproof colors—the long service that saves 50% to 60% in repainting cost. All because fine old SWP is made of the finest materials, by the largest paint and varnish makers in the world.

Come in and let's do a little simple arithmetic before you squander money on cheaper paint.

Specify  
SWP and  
engage a  
good  
painter

Fall painting is the most important of the year. Don't neglect to paint weather-beaten houses, garages, shutters, trellises, fences, screens, flower boxes, etc., NOW. You will save money. And, remember, cheaper paint can not equal the economy of fine old SWP for your house. We are at your service at all times. Call for suggestions.

## NEW WALL PAPER

We have just received a shipment of new Wall Paper, new patterns and priced as reasonable as wall paper can be sold.

In window glass our stock is most complete. No matter what size glass you wish, ask us for prices.

## J. E. Torno, 58, Is Buried In Cameron Tuesday, October 8

J. E. Torno, 58, died from heart attack at 5:30 o'clock Monday afternoon October 7, 1929 at the Cameron Compress Company. He had been employed by the compress for some months and was a valued member of that force. Death came to Mr. Torno suddenly as he went about his duties there. He had been suffering from heart attacks for some time.

Mr. Torno had been a resident of Cameron for a number of years and had many friends here who regret to learn of his death. He was formerly employed by the City of Cameron.

Mr. Torno is survived by his widow and four children as follows: Miss Irene Torno, Mrs. Albert Underwood of Houston, Frank and Roy Torno of Cameron and one sister, Mrs. J. W. Radtke of Cameron.

Funeral services were held from Coleman-Epleen funeral home with services at the First Christian church, Tuesday afternoon with interment in Oak Hill Cemetery.

The Herald extends sympathy to the bereaved family and relatives.

## Milam County W. M. U. Meets Here Monday

The Milam County W. M. U. Association met Monday at the Baptist church for an all-day session with Mrs. J. C. Martin acting as president in the absence of Mrs. E. S. Hutcherson.

During the morning, addresses were heard from Mrs. Jesse W. Maxwell of Austin, president of District 15 of the W. M. U., and from Mrs. Leigh of Dallas, state corresponding secretary and treasurer.

The Cameron W. M. U. served lunch and in the afternoon the business meeting was held. Reports were heard from the various officers of the Association. Mrs. Wilson Gunn was elected president for the ensuing year.

## NORTH ELM

## CRAMPING SPELLS

Mississippi Lady Tells How She Suffered Until She Had Taken Cardui on a Friend's Advice.

Greenville, Miss.—In describing how she suffered several years ago, Mrs. Mattie Dalton, of 112 Pecan Street, this city, recently wrote: "I would cramp, and my hands and feet would draw, so I came near having convulsions. I would have to stay in bed, sometimes a week, and when I would get up, I just dragged around, and did not feel like doing my work. I suffered a great deal with my back."

"A friend came to see me and saw how I suffered. She told me to try taking Cardui, which I did. I seemed to have more strength, after my first bottle. After I had taken about four bottles of Cardui, I saw a great improvement."

"I quit having such bad spells, and was stronger and better than in a long time. I gained in weight. I took a few more bottles of Cardui, and felt so well that I quit taking it. 'I certainly can recommend Cardui, for I know what it is to suffer, and I know that Cardui helped me.' Thousands of women have written to tell of the benefit Cardui has been to them, in helping them to build up their health."

Having helped so many others, Cardui should help you, too. NC-212

Westbrook were dinner guests in the W. M. Hurry home.

Jake Richards visited his parents Sunday afternoon.

Mrs. Tom Richards and children spent the week end with their parents, Mr. and Mrs. A. B. Richards.

Mr. and Mrs. Rob Fuller and Mrs. Westbrook spent Sunday afternoon in Yarrington with Mr. and Mrs. Rust Filks.

Dr. and Mrs. S. R. Cotton will leave Cameron Friday morning to attend the State Convention of Chiropractors which is to convene in the Rice Hotel in Houston.

## Mrs. J. D. Baskin Is Hostess To 42 Club

Mrs. J. D. Baskin was hostess to members of the 42 Club in the first meeting of the season last Thursday afternoon. Queen's crown and roses were used throughout the rooms, and low vases of Queen's crown were used to center green trays, from which a

salad course and an ice were served following the games.

Individual favors were pink-wrapped boxes filled with pink home-made candies. Mrs. Baskin was assisted in entertaining by her young son, Jim, who passed score cards and favors.

Out of town guests were Mrs. C. E. Meadow of Houston and Mrs. Hazel Burke of Washington, D. C.

**C**CLIMAXING the other important announcements of the past 12 months including sweeping price reduction, new models, Porcelain-on-steel inside and out, the famous "Cold Control", the quiet compressor and with sales greater than at any time in the history of the Company, Frigidaire Corporation announces . . . a

# Special small cash payment

puts any Frigidaire in your home . . . balance to suit your convenience

The Frigidaire "Cold Control"

The "Cold Control" enables you to control the temperature in the freezing compartment, speed the freezing of ice cubes and make a great variety of delicious desserts.

End the risks of uncertain refrigeration. End the dangers of tainted food. A special small cash payment puts Frigidaire in your home—now. And Frigidaire brings you a combination of essential features found on no other refrigerator in the world.

The Frigidaire "Cold Control" for example, is one of the greatest developments in electric refrigeration. It is offered only by Frigidaire.

Furthermore, the Frigidaire mechanism is built into the bottom of the cabinet. It is accessible. Inspections or adjustments can be made easily and quickly with no interruption in service. All of the food shelves are in the upper part of the cabinet. Stooping is eliminated. The top of the cabinet can be used for shelf space.

Winter as in Summer you need Frigidaire. And now, today, you can buy this truly modern refrigerator—with all the features that only Frigidaire can offer on remarkably liberal terms.

Come in and let us tell you about our deferred payment plan—a plan that makes Frigidaire easier to buy than ever before. Call at our display room or phone for our representative, today.

# At Last—A Roof That Cannot Leak!

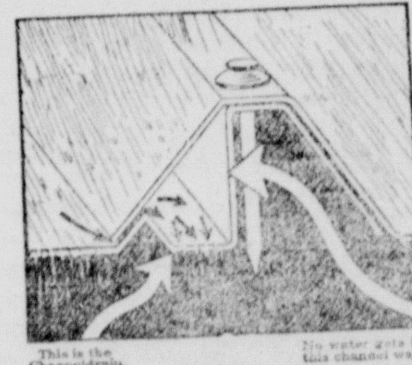

**Channeldrain ROOFING**  
MADE OF COP-R-LOY THE COPPER ALLOYED STEEL

There is a big difference between Channeldrain Roofing and ordinary roofing although both cost about the same. Channeldrain Roofing can't leak; the patented lap construction forms a perfect drain and prevents water from getting under the roof.

In addition, Channeldrain Roofing is fire-proof and lightning-proof. A highly durable pure zinc coating gives

extra protection to the special Copper Alloyed Steel base, insuring longer life and freedom from expensive repairs.

Channeldrain Roofing is easy to apply; no special tools are required. Everything considered, it is the most economical roofing for you to buy and we recommend it unqualifiedly for the benefit of all our customers.

CAN YOU AFFORD TO WAIT?

## FREE ACTS BOOKED FOR COTTON PALACE

Waco Exposition Plans for Free Show Every Hour. Afternoon and Evening.

Waco, Texas.—A different free show every hour is to be offered on the Cotton Palace grounds during the exposition this year, contract having been signed for this number of new and original acts with the Erma Barlow circus revue. Among the acts are a number of thrillers, while some are animal acts designed to prove of special pleasure to the children. It is announced that other free acts will be contracted for before the opening of the exposition on Nov. 1.

In booking the Barlow acts, it is the plan of the Cotton Palace management to have three separate and distinct acts presented each afternoon and an equal number at night.

### Barlow Acts Noted

The Barlow acts are known throughout the country. Miss Barlow's father was the owner and proprietor of the Barlow circus, and spent more than 30 years in the sawdust ring. His daughter inherits her talents from her ancestors and has developed the acts bearing her name to a high state of perfection.

Among the Barlow acts to be shown free at the Cotton Palace is the "Petite Circus Treat," with three people, one dog, one pony, and a potpourri of circus feats. A clown, a well-trained dog and pony, with Miss Barlow holding the bridge, dog and pony, suspended by her teeth (combined weight 700 pounds), has proven extremely popular at the larger fairs of the country.

Man and woman in original head to head balancing is another of the six feature acts. The head to head balancing is on glass bottles, plate glass, upside down juggling, etc., the act concluding with the man walking on his head on a platform balanced on the lady's head.

Of special interest to the children will be the novelty animal act. Two beautiful Angora cats and a pony, with Cricket, the clown goat, are popular with young and old alike.

### 80-Foot Head Slide

Hwatacz Duo is characterized as an European thriller. The man in the act executes a sensational head slide of 80 feet. The track is held in the lady's teeth while the man shoots the dips with roller skates on his head.

Glen Zeldo, novelty balancing trapeze artist, will appear twice daily, as will Burbee's funny clowns, who will furnish fun for Cotton Palace patrons afternoon and night throughout the show.

## AUTOMOBILE RACES AMONG COTTON PALACE FEATURES

Waco, Texas.—Alex Sloan, known throughout the country as among the most successful automobile race promoters, will return to the Cotton Palace Exposition this year, bringing with him a number of drivers who hold both nationwide and sectional records. It will be the first time in several seasons that Sloan has appeared on the Cotton Palace track, where a number of his drivers have established dirt track records. The Cotton Palace management has been advised that a number of the favorite drivers of past years will return with Sloan, driving record breaking cars and competing for the prize money.

## PLAN FOR CORONATION AT COTTON PALACE IN WACO

Waco, Texas.—Mrs. Simkins Wood, chairman for the queen's coronation, the big social event of the Texas Cotton Palace Exposition at Waco, Nov. 1 to 10, expects the attendance from every section of the state to be the greatest since the queen's ball was inaugurated as a Cotton Palace feature. This, she says, is based on the responses received from young ladies who have been invited to participate in the coronation exercises. The society ball, which is scheduled for the night following the queen's coronation, will again be popular with debutantes from a number of Texas towns and cities with an unusually large number from Waco.

Will of Mrs. Annie Vandiver, deceased, admitted to probate as a muniment of title.  
Mrs. Julia Pagash appointed administratrix of the estate of Joe F. Pagash. Bond fixed at \$1000. H. C. Henderson, Jack Little and Arnie Robinson appointed appraisers. Real estate set aside as a homestead for widow and minor children.

## County Court

Tootsie Benson, theft of cotton, fined \$50 and 30 days in jail.  
Annie Brooks, aggravated assault, fined \$25.  
Harvey McDonald, petty theft of cotton, fined \$50 and 30 days in jail.  
Harvey McDonald, carrying a pistol fined \$100.  
The Commissioners Court with A. F. Mitchell, engineer, are attending a good roads meeting at Victoria with the object in view of the improvement and hard surfacing of highway No. 44, which when completed would be one of the finest highways in Texas running from Oklahoma to Mexico. Judge Jeff T. Kemp left Wednesday afternoon to be present at the meeting.

## Attend Scout Meeting In Waco On Tuesday

Rev. J. P. Love and F. E. Jackson were in Waco Tuesday night for the banquet given by the Heart of Texas Boy Scout organization which was held at the Raleigh Hotel beginning at 6:30 in the evening.  
Plans for the drive to raise \$12,000 budget for the expenses of the coming year in the district were discussed and arrangements made for the campaign.  
Practically every city in the district was represented and the outlook for the coming year is encouraging. Mr. Love is the finance director for the district and both have been active in Boy Scout work.

## Victim of the Times

Tramp, 'Yes'm, lady, women was the cause of me present condition.' The Lady, 'Just in what way?' Tramp, 'Well, ya' see, ma'am I used to earn a good living selling hair pins and when the dames took to bobbing their hair me business dwindled down to nothing and I had to take to the road.'

## Too Much Scenery

'Ye gods! Why did you ditch that queen you had and get a homely nut like that old hen for your stenographer?' exclaimed the friend of the boss. 'To keep from going into bankruptcy,' he grinned, 'the homely nut does six times as much work as the queen did,—and the clerks—and I are

doing six times more work than we did while she was here.'

'What are you studying at the University?'  
'Triggernometry.'

## the social Undoing of Elizabeth Ann

As a hostess, Elizabeth Ann decided that she was a grand success. She glanced happily about the tables of modish guests in the living room.

This was a party, she thought. One they'd talk about for many a day. Everything was going beautifully.

She giggled as one of the group at the nearest table trumped her partner's ace. The hum of conversation rose and fell.

And then... the telephone rang! "Yes, he's here," she answered, "but he can't come to the 'phone. He's in the garage working on the car... Oh!... Long Distance... very well... I'll call him."

Her heart sank. The sparkle left her eyes. Too well she knew what to expect when her husband "worked on the car."

"And things had been going so well," she thought bitterly, as Ed, red-faced and perspiring, oil and grease from head to foot, paused in embarrassment at the door.

Ed was waiting in the hall when she closed the door miserably behind the last guest. He slipped a consoling arm about her.

"I'm sorry, honey!" he cooed. "It won't happen again. Tomorrow I'll order an extension telephone for that kitchen."

Telephones where you need them save time, patience, housewifely strength—even prevent minor social disasters.

Few know that one or two additional instruments cost considerably less than the single telephone they now have!

By a wisely-placed "extension" or two, and perhaps a rearrangement of the equipment you already have, an expert telephone man can often double the convenience of your telephone service.

"And things had been going so well"

Manager, Southwestern Bell Telephone Co., City.

I'd like to know how to get more value out of my telephone service. Please send me free, a copy of your booklet, "Modern Telephone Service for the Home."

# NOTICE FARMERS!

We have recently installed a six cylinder HANCOCK BOLLY MACHINE which will give you MIDDLING COTTON from good bright Snapped Cotton. It will also raise the grade of Picked Cotton from one to two grades.

Be sure to see our display in First National Bank and the Cameron State Bank with actual sample from a bolly bale of cotton.

Bring us your BOLLIES. We will buy them in the seed or gin them for you. We pay the highest market prices for each kind.

# Batte's Round Bale Gin

Cameron, Texas

## Hancock Bolly Machine At Batte's Round Bale Gin Raises Grade

Interest is being taken by farmers in the announcement for the Batte Round Bale Gin that a Hancock Bolly Machine which gives middling cotton from good bright snapped cotton, has been installed.

A display of this machine can be seen at the First National Bank and the Cameron State Bank with actual sample from a bolly bale of cotton.

Each season of the year a considerable quantity of cotton is below the average when picked. This machine now makes it possible for this kind of cotton to be ginned to the grade of middling thereby increasing money value of the cotton when sold.

Frank Brock as manager of the Round Bale Gin says the machinery is giving successful results and are pleasing to the farmers. In this issue of The Herald Mr. Batte who owns the gin has two large display advertisements calling attention to the work of this machine.

## Living Room Tour For W. H. D. Clubs On October 17

The County Council of Women's Home Demonstration Clubs has planned a tour for the members of the seven different clubs of Milam county. They will visit some of the living rooms in different parts of the county, which have been improved during the past two years through our club work.

The purpose of this tour is to create more interest and enthusiasm in the Living Room Improvement Contest. We hope to have some contestants for 1930. The homes of both of our county winners in 1928 will be visited on this trip. It will be a benefit as well as a pleasure for all; for we feel that after seeing what some women have done, others will want to do also.

The following program has been planned for Thursday, October 17:

All meet in Cameron at Post office building at 9 A. M.

9:00-9:15—Visit home of Mrs. John Watson.

9:15-9:30—At furniture store.

9:30-10:00—Go to Maysfield.

10:00-10:25—With Mrs. Newton.

10:25-11:50—To Bryant Station.

11:30-12:00—Mrs. Guido Gershbach.

12:00-1:00—Picnic lunch.

1:00-1:30—Mrs. Will Schwartz.

1:30-2:00—Mrs. J. L. Modestette.

The Rudder and Elmore poultry farms will be visited also, which will be of much interest to the club members.

The lunch will consist of foods that will be easily prepared and served, such as sandwiches, stuffed eggs, pickles, potato chips, weiners, small cakes and doughnuts, coffee and water.

We urge that the arrangement committees from each club please see that all members who can be present on this trip.

This can be said for the styles for women—they are always interesting.

Toncan Iron for Cisterns, Gutters, Cornices, Spouts, Roofing, and Stock Tanks. There is none better. Guaranteed for 25 years against rust, corrosion, etc.

## MILLIONS TO LEND

On Texas Farm Lands at  
5½ per cent interest  
By the Federal Land Bank of  
Houston, Texas.

See W. G. GILLIS, Secretary,  
Cameron National Farm Loan  
Association.  
Cameron, Texas.

McDonald's labor government is having a lot of trouble. Labor knows no more about government than others. The trouble with the government, the ones in power do not want to be fair. There is the trouble with the farmer question. The farmer has never had anything to say. The others got together and the farmer was never mentioned only with promises during campaigns.

## THE STATE OF TEXAS

and County of Milam  
To Harvey Pendleton, E. L. Pendleton, George Hall and Virginia Hall, all unknown owners and all persons owning or having or claiming any interest in the land or lots hereinafter described, the same being delinquent to the State of Texas and County of

Milam for taxes and the same lying and being situated in the County of Milam, City of Cameron, and State of Texas, to-wit:

Being lot No. 4 in block No. 3, subdivision 'B' of the Henderson and Arnold Addition to the town of Cameron Texas, and being 208 feet in depth and 100 feet in width, save and except 67 feet and 8 inches by 100 feet off of the South end of said lot which said property is delinquent to the City of Cameron, Texas, for taxes for the years 1927 and 1928 aggregating the sum of \$21.76, including interest, penalties and costs, said taxes having been legally levied, assessed and rendered against said land and lots and the same being a lawful charge and constituting a prior lien against the same in favor of the City of Cameron, Texas, to secure the payment thereof. And you are hereby commanded to be and appear before the Honorable

District Court of Milam County, Texas, at the next regular term thereof, to be held at the Courthouse of said County, in the city of Cameron on the 2nd Monday in November, A. D. 1929, the same being the 11th day of November, A. D. 1929, then and there to show cause why judgment should not be rendered against you and the said land and lots sold under foreclosure of said lien to satisfy said taxes, interest, penalties and costs, and all court costs; all of which together with other and further relief, general and special, being fully set out and prayed for in the plaintiff's original petition filed in said court on the 4th day of September, and appearing on the docket thereof as suit No. 123, wherein the City of Cameron, Texas is plaintiff and Harvey Pendleton, E. L. Pendleton, George Hall, Virginia Hall, all unknown owners and all persons owning or having or claim-

ing any interest in said land or lots, defendants.

Given under my hand and seal of said Court, at office in the City of Cameron, Texas, in the County of Milam, this 4th day of September A. D. 1929.

PENN WOLF, Clerk,  
20-3te Dist. Court, Milam Co., Tex.

## Somebody's USED CARS

Values built in Essex pioneered light six field five years ago. Check these features against present current production. A used Essex has these features and fine riding qualities.

1. Low safe center of gravity.

## See The Giant that is Building Texas...

AGAIN the great Texas State Fair draws the interest of all Texas with its countless attractions! Texas goes on exhibit—Texas agriculture, Texas livestock, Texas manufacturing, Texas commerce, Texas amusement, Texas art!

And, there's a distinctly New attraction that you must see—the Giant that is Building Texas! This giant exhibit is near the rear entrance of the Automobile and Manufacturers' building.

The central figure of the exhibit is a Giant holding in his powerful hands a large pipe line running from the gas fields to a medieval castle, which is shown in the process of building. One face of the castle takes the shape of the State of Texas and shows a map of Lone Star Gas Company's pipe lines serving 200 Texas communities.

Animated figures, each specially modeled for the exhibit, carry materials up the castle walls in

the act of constructing the castle, while moving models of auto trucks carry various materials used in the gas business up to the castle. Around the feet of the Giant are depicted with animated figures many activities of the gas industry, such as compressor stations, gasoline plants, drilling rigs, etc., in motion. The whole symbolizes GAS—the Giant that is Building Texas.

At the rear of the exhibit proper is a most interesting display of modern gas appliances, in actual use, including STARGAS—the Compressed Natural Gas, in portable cylinders. STARGAS starts where gas mains stop—a special boon to rural and suburban home owners!

We especially invite Texas State Fair visitors to see the Giant that is Building Texas—one of the most unique exhibits at the Fair this year!

## IN THE TALLOW CANDLE DAYS

When a merchant desired to advertise, he hunted out a piece of cardboard used between the layers of crackers in the cracker box and marked on it in blue chalk, 'Jones keeps everything.' 'Highest price paid for produce,' or some similar trite and meaningless message. He then settled back to wait for business, satisfied that he had advertised his business to the public.

But with the passing of the tallow candle days came a new age in merchandising—a new system of advertising.

Buyers wanted to know something more than the mere fact that 'Jones kept everything' or that he 'paid the highest price for produce.'

They wanted to know what he sold, the quality, the price, the advantages of the particular merchandise and a number of other facts.

The old type of advertising that conveyed to a waiting world that 'Jones kept everything' would no longer meet the requirements. It would not attract attention, create a desire, interest or sell goods. In fact the public was impressed by the fact that Jones kept everything. They had forgotten who Jones was.

With the new condition, came the demand for the new type of advertisement. The advertisement that told in clear, concise, specific English what Jones had to sell, what its good points were and what it sold for.

This is the only type of advertising that is worth printing. It is the only kind that will sell goods these days and people will pass a thousand signs printed on pasteboard from cracker boxes to trade with a live merchant who knows how to merchandise and how to advertise.

**Ten Business Commandments**  
**WORK HARD**—Tackle the hardest job first each day.

**STUDY HARD**—The more you know the easier and more effective is your work.

**HAVE INITIATIVE**—Ruts often deepen into graves.

**LOVE YOUR WORK**—There's a sense of satisfaction in doing work well.

**BE EXACT**—Accuracy is better than haste.

**HAVE COURAGE**—A stout heart will carry you through difficulties.

**BE FRIENDLY**—Only friendly people become successful leaders.

**CULTIVATE PERSONALITY**—Personality is to man what perfume is to the flower.

**WEAR A SMILE**—It opens the door into the sunshine beyond.

**DO YOUR BEST**—For if you give to the world the best you have, the best will come back to you.

Every town could be bigger and busier and more alive if it had a few more citizens who were willing to get into the harness and help put things across.

The Youth's Companion which has been in existence over a hundred years has been discontinued. It appears strange that with all the clamor for wholesome reading for the young that a magazine as good as the Youth's Companion would not receive sufficient support to justify its continuance.

Records hung up by geniuses are being broken every day by pluggers. The pluggers isn't much force when it comes to putting on an exhibition number but he can be counted on for steady performance and real accomplishment.

The condition of a lot of fellows who blantly announce that no one can tell them how to run their business indicates pretty clearly that it would be better if some one could tell them a few things.

A prominent writer, William Lyons Phelps says in Scribners, 'The majority of "realistic" novels just now are both dull and dirty.'

Most any man can sit patiently and

listen to two women brag on their children, but when they turn their attention to their husbands and begin to brag on them he begins to look for a chance to fade out of the picture.

Some expert somewhere reports that the average modern girl wears but eight ounces of clothing. Frank Dixon advocates the same custom among men. What puzzles us is how a man who wears a number nine shoe is ever going to come under the eight ounce limit unless he goes barefoot.

Statistics tell us that only two per cent of the men on earth can sing. The trouble with statistics is that they do not tell the men which men belong in the two per cent.

Folks used to worry about the missing link. The thing that frets now is the missing cylinder.

## JONES PRAIRIE

By MRS. R. E. FONTAINE

Rev. McKinney Henderson preached at Little River Sunday night.

Miss Clara Bennett Love of San Marcos spent the week end at home.

Mr. and Mrs. Buford Glenn and family of Waco visited his parents, Mr. and Mrs. I. R. Glenn.

Ruth Brown had as her week end guest Miss Angel of Cameron.

Miss Edna McKinney was a shopper in Cameron Monday.

The Spring Prairie school opened Monday October 7. Miss Bill Fontaine and Mrs. Alma McKinney are the teachers.

We will buy your Bolls in the seed cotton or ginned. Always paying the highest market prices.

Batte's Round Bale Gin.

The Sneed's Chapel Epworth League enjoyed a social at Mrs. W. J. Fontaine's home Friday night. Every one present enjoyed games and grape juice was served throughout the evening.

Rev. Dobson spent the week end at the Patricia McKinney Sr., home. He preached at Little River Sunday morning.

Dr. W. J. Fontaine was a business caller in Hearne Monday.

Mr. and Mrs. Arthur Easley and family shopped in Waco Friday.

The daughter of Mr. and Mrs. Dewey Black is quite ill at this writing.

A. Yager and family are driving a new Ford touring car.

Rev. Geo. Apel, Rector.

## New Ford Truck Has Four Forward Speeds

A real aid to transportation is the New Ford Truck which is just out and announced this week by the Hubert Hefley Motor Company. This new truck has four forward speeds from 'low low to high high.'

In this issue of The Herald will be found an advertisement from the Hubert Hefley Motor Company describing the equipment of this marvelous new truck. It is equipped with six inch balloon tires in front and rear and has a 40 horse power engine. 32x5 heavy duty truck tires in the It has cantilever springs on rear and a silent, fully enclosed six brake system.

Those who have seen the new truck give it unqualified approval. It is the last word in efficient and economical transportation," said Hubert Hefley. "We feel that the new Ford truck will prove a great factor in transportation for this community as it meets all the needs and is an operating truck of outstanding qualities."

## Symphony Club In First Fall Meeting

The Symphony Club began the season with a meeting Wednesday afternoon at the home of Mrs. C. W. Bradbury. Following the roll call and the reading of the minutes, several matters of business were attended to. Miss Katherine Ramsey and Mrs. A. C. Strickland were elected to membership in the club, and the members were happy to welcome Mrs. Paul Webb, a former member who has been away for the past year.

Miss Rose Richter, chairman of the year book committee, read the new year book, and it was adopted.

Mrs. C. W. Bradbury tendered her resignation as president of the club and Mrs. A. N. Green at treasurer. To fill these vacancies Mrs. Wilson Gunn was elected president and Mrs. F. J. Beckerman treasurer.

At the close of the business session the hostess assisted by Mrs. Strickland served an ice course.

## Wednesday Bridge With Mrs. Triggs

Mrs. A. J. Triggs was hostess this week to the Wednesday Bridge Club members in their first meeting of the current season. Guests other than members were Mesdames J. M. Ralston, J. W. Coleman, J. C. Martin, Roy Law, Trent Newton and Graham Gillis.

The hostess served a salad course and a drink. Plate favors were carnations.

Following the games a business meeting was held and Mrs. Judd Davis was elected president of the club. Mrs. J. M. Bowman first vice-president and Mrs. Dan Tyson, second vice-president.

## Fiftieth Anniversary Of Wedding Celebrated

A happy occasion for Mr. and Mrs. John B. McLane was the gathering of friends and neighbors at their home on Tuesday, October 8 to bring their congratulations on their fiftieth wedding anniversary.

Throughout the day friends came with congratulations and friendly greetings. Telegrams and flowers were also received through the day.

Mr. and Mrs. McLane have been married fifty years on October 8 and the half century has been one of happiness for them. Now in the sunset of life the warm greetings of friends on the occasion of this anniversary were greatly appreciated. They have lived in Cameron for many years. Mr. McLane was former Mayor here and at one time was with the First National Bank and engaged in other lines of business. He retired several years ago and has been living quietly at his home since. He is an elder in the Presbyterian church and attends regularly the services of the church.

## Katherine Monroe Is Hostess To Friends At Skeezix Picnic

In observance of her tenth birthday Katherine Monroe, daughter of Mr. and Mrs. Frank Monroe, invited a number of her friends to a picnic supper at Skeezix last Wednesday evening, and this was followed by a picture show party. The group gathered at the Monroe home and went to Skeezix on a truck. Here the birthday cake was cut and the emblems were found by the following: Frances McDermott, the double heart; Lucille McDermott, the button; Frances Terry, the thimble; Ruth Hobson, the trowel; Ruth Mode, the owl; Viola Thomas, the violin; Lorraine Pope, the engagement ring; Virginia Freeman, the cat; Dorothy Matula, the hammer; Dorothy Gohmert, the boat; Helen Ryan, the old shoe; Edith McGee, the wedding ring; and Dana Monroe, the baby.

Katherine was the recipient of many beautiful gifts, one of which was a birthday cake, iced in pink and having her name and age written on it, from Mrs. Charles McDermott.

Those forming the party were Viola White, Frances and Lucille Mc-

Dermott, Frances Terry, Zora Clarke Wilkerson, Ruth Hobson, Ruth Mode, Viola Thomas, Ella Bess Haygood, Lorraine Pope, Virginia Freeman, Dorothy Matula, Dorothy Gohmert, Elizabeth Spratt, Patricia Batte, Helen Ryan, Edith McGee and Catherine and Dana Monroe.

## Birthday Party For Patricia and Bobby Batte At Theater

Patricia and Bobby Batte had birthdays on the seventh and eighth days of October, respectively, and last week they entertained their friends with a picture party at the New Hefley theater.

Following the show the group went to the Palace of Sweets for refreshments. Individual favors were bags of cakes and candy. Miss Lella Batte and Mrs. Byron Colburn were chaperones.

## Mrs. S. A. Cottle Hostess To History Club

Members of the History Club met Tuesday afternoon with Mrs. S. A. Cottle as hostess at her home on N. Houston Avenue. Mrs. T. S. Henderson Sr., as leader was assisted by Mrs. Paul Webb who told of a recent trip she had taken through North Carolina and showed pictures illustrating it. Mrs. Henderson discussed Premier MacDonald's visit to the United States and gave an interesting sketch of his life.

Following the program Mrs. Cottle served an ice course.

Guests other than members were Mrs. P. T. Ramsey, Mrs. Roy Willis of Corpus Christi, Mrs. P. W. Davis and Mrs. James L. Coleman.

## W. R. Hoover Returns From Convention Of Legion In Louisville

W. R. Hoover has returned to the city from Louisville, Kentucky where he attended the national convention of the American Legion which convened in that city during the last days of September and early October.

Mr. Hoover reports the largest gathering ever attending a convention in America. He brought back with him a copy of the Louisville Times. This edition of that newspaper reflects in a great way the spirit of the convention.

Mr. Hoover reports a splendid trip to the convention and a great time with his old legionnaires assembled to talk over the times of 1917 and 1918.

## Miss Eunice Wimberly Buried Here Monday

Miss Eunice Wimberly, 21-year-old daughter of Mr. and Mrs. J. P. Wimberly of Clarkson, died Monday night following a tonsil operation in San Antonio, where she had been working. Miss Wimberly is survived by her mother and father; three sisters, Mrs. A. J. Coyle of San Antonio and Jewel and Francis Wimberly of Clarkson; three brothers, Robert and John Wimberly and a younger brother.

Funeral services were held at Power's Chapel near Clarkson at three o'clock Wednesday afternoon.

## Mrs. Ida Avriett Is Honored By Children On Her Birthday

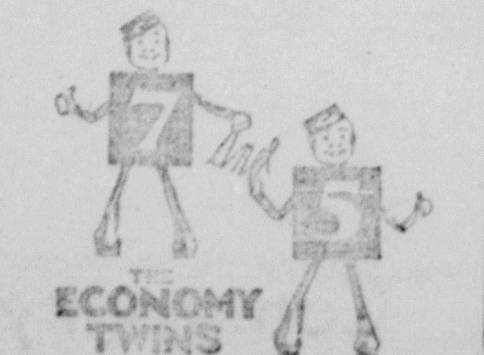

Mrs. Ida Avriett was honored by her children on the occasion of her birthday October 2 with a picnic at Wayside Inn. This has come to be an annual affair in recognition of Mrs. Avriett's birthday.

Those present were Mr. and Mrs. Wm. Rogers, Mr. and Mrs. Giles Avriett, Mr. and Mrs. W. O. Triggs, Mrs. Chas. McDermott, Miss Myrtle Avriett, Miss Lillian Atkinson and Miss Lucille Dickard.

## Lions In Meeting Here Plan Program of Civic Work For Cameron

The Lions Club met at its regular hour on Tuesday noon in the Methodist church with thirty-five members present. This was the fourth meeting of the re-organized club and like the three preceding meetings, it was a gathering of interest and of vivacity.

After lunch L. Van Perkins, heading the Reception and Lions Education committee, announced an outline for future club work. Among suggestions for activity were beautification of the high school ground, tourist information bureau and the cleaning of vacant lots for parking space.

## September Was Hot Month and 2.23 Inches of Rainfall Here

The month of September except for the cool nights compared well with summer months according to R. A. Tag in charge of the local weather bureau. There was a total of 2.23 inches of rainfall for the month. The following report shows the day by day weather for the month of September:

Date	Maximum	Minimum	Rain, in inches
1	102	69	
2	98	69	
3	101	71	
4	102	74	
5	103	71	.63
6	105	75	
7	105	73	
8	105	73	
9	102	70	
10	88	64	
11	87	61	
12	98	66	
13	101	70	
14	97	60	
15	96	67	1.35
16	87	69	.85
17	93	64

21	91	58	
22	90	60	
23	91	60	
24	93	60	
25	94	62	
26	95	63	
27	97	63	
28	97	67	
29	96	67	
30	95	63	
Total rain			2.23

## ENTERTAINS FRIENDS

Shirley McLean, son of Mr. and Mrs. J. M. McLean, celebrated his twelfth birthday Monday afternoon by having the boys in his room at school come to his home and play with him. Following a number of games, Mrs. McLean served sandwiches, cakes and lemonade.

## Mrs. John C. Young Is Hostess At Bridge

Meeting with the newly elected president, Mrs. John C. Young, members of the Triple Four Bridge Club enjoyed games last Tuesday afternoon. A decorative scheme featuring red the dominant color was used in arrangements of flowers and also in table appointments.

At the conclusion of the games a salad plate was served and a red drink. The trays were centered with red baskets in which were charmingly concealed table favors which also were tiny china baskets. These were won by Mesdames Vernon Roberts, S. A. Cottle, Frank Plaster and Alex Triggs. High and second high awards won by Mesdames S. A. Cottle and Clifton Jenness were novelty baskets also.

The many friends of Mrs. Chas. McDermott will be pleased to know that she has returned to her home in Cameron. She has been in a Temple hospital for several days and returns to her home here much improved. Chas. McDermott who has been in Louisiana for a number of months returned to Cameron this week on account of the illness of Mrs. McDermott.

## Mrs. Kathryn Robbins Again Named to Text Book Board for Texas

Mrs. Kathryn Robbins, superintendent of public instruction for Milam county has just been notified of her appointment by Governor Moody to serve on the state textbook board. She has been a member of this board since its appointment by Governor Moody when he entered office for his first term as governor.

Mrs. Robbins by reason of her experience has made the board an excellent member and she is now filling her third consecutive term. She has accepted the appointment. Only five members on the board and they are appointed from the state at large.

This continued honor for Mrs. Robbins will be received with interest by her friends everywhere.

## Longest Newspaper Route Chevrolet Coupe Transport

Believe it or not—

The world's longest newspaper route is in Yellowstone Park, is 160 miles long and absorbs between 600 and 800 pounds of newspapers daily between June and September.

It is a full day's work that confronts the driver, Bird Newell, when he steps on the starter of his Chevrolet Coupe, and sets about the day's business. Fast driving and knowledge of short cuts are necessary to complete the task before dusk.

Newell's subscribers number several hundred persons who reside each summer in the isolated camps and resort hotels of America's greatest natural park. Until 1928 these vacationists had no means of getting their home town newspapers. Since the route opened the Chevrolet coupe has been in constant service, never missing a day.

The car has already traveled 42,000 miles and has never undergone any major repairs. Thus far the total cost of servicing the car has been only \$58.50.

Newell receives his papers at the Gardiner entrance each day at 10:20 a. m. He makes four stops, about 45 minutes each, at the major camps, and returns to the bunk house at Mammoth Lodge at 6:20 p. m. To do this he must average 32 miles to the hour. His actual driving time is five hours.

L. E. Flint, publicity director of the park recently invited a reporter to accompany Newell over the route. It afforded the writer a splendid view of the park from trails forbidden the average tourist.

When the reporter got back to his office he wrote an enthusiastic description of the enchanting vistas that had been revealed to him. Nor did he forget the ability of the car which swept him through the alluring landscape.

'I never enjoyed a more comfortable ride in a motor car,' he wrote. 'We traveled through this wonderland leisurely, despite the constant speed that was maintained up-grade and down. The Chevrolet took hair pin turns without a perceptible slackening of speed and the rutty roads never stopped the driver for a second.'

## Irvin N. Clary Gets Promotion As Bank Examiner In New York

Irvin N. Clary, former cashier of the Citizens National Bank in Cameron has been promoted to be National Bank examiner for the district of New York, one among the number who serve that district.

Mr. Clary has many friends in this section who will learn with interest his promotion in this department of the government. He had been in New York serving as assistant examiner since he left Cameron a year ago.

Mr. Clary's advancement has been rapid. While with the Citizens National Bank here and for a time with a large bank in Dallas he made a close application of his talents and became an authority on banking. He began his duties here with the Citizens Bank in 1920 rising to the position of Cashier in the course of time.

He has risen to his present place from humble beginning. He was left an orphan at the age of 11 and received his early education in the Odd Fellows home in Corsicana and from this school entered the business world. His success as a bank examiner will be welcome news to his friends and the people of Cameron.

## CLARKSON

There is to be a carnival at the Vogelsang church Friday night, Oct. 11. Everyone is invited to attend.

E. F. Campbell and children and H. A. Lindsey and children and Hazel Douglas motored to Bryan Station Sunday.

Mrs. John Bell and children were Sunday dinner guests in the McCollum home near Burlington.

Hoarding never meant prosperity. Spending wisely does.

People always howl about spending money. Well, there is the example of Vermont. She has been very prosperous since the flood, because money had to be spent to rebuild that which was washed away.

## PROBATE NOTICE OF FILING FINAL ACCOUNT

THE STATE OF TEXAS,

To the Sheriff or any Constable of Milam County—Greeting:

You are hereby commanded to cause the following notice to be published in a newspaper of general circulation which has been continuously and regularly published for a period of not less than one year preceding the date of this notice in the County of Milam, State of Texas, and you shall cause said notice to be printed at least once each week for the period of twenty days exclusive of the first day of publication before the return day hereof:

## NOTICE

THE STATE OF TEXAS,

To all persons interested in the Estate of Billie Daniels, deceased: Notice is hereby given that J. H. Smilie, administrator of said estate, has filed in the County Court of Milam County his final account of the condition of the estate of said Billie Daniels, deceased, which will be heard by the County Court of Milam County, Texas, at the next regular term thereof,

as, at the next regular term thereof, to be begun and holden at the court house in Cameron, on the 7th day of October, 1929, same being the first Monday in October, 1929.

Now, therefore, this is to require all persons interested in said estate to appear and contest the same, if they see proper.

Herein fail not, but have you before said court, on the first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Given under my hand and seal of office, in the city of Cameron, the 11th day of September, A. D. 1929.

Attest: Homer Nabours, Clerk, County Court, Milam County.

## YOUR OLD TIRES ARE WORTH MONEY

trade them in on a new set of Firestone

CUM-DIPPED TIRES

THOSE same old tires may cost you a lot of money, however, if you leave them on your car in an effort to get out the last few thousand miles. Smash-ups from skidding—blowouts at critical moments—costly delays.

Better let us give you those miles in the way of an allowance toward a new set of Firestones. We, in turn, sell your old tires for spares without losing any money—a fact which accounts for our generous allowance.

Bring them in, now; don't risk further driving on old tires. It's dangerous!

## FARMERS NOTICE!

We know that you will be glad to learn that we will open a Produce House here at Cameron about October 15, and be in position to buy all the TURKEYS, POULTRY, EGGS, etc., that you may offer us.

We realize that you raise the products that are necessary for the success of our venture, and we are now asking for your support and cooperation.

You will find us liberal buyers, treat you right and pay you what your products are worth at all times.

Knowing that quality products are going to bring the best prices we suggest that you now start feeding your turkeys all they will eat, so they will be fully matured when the market opens.

We will be located in the old Peter Company building. Any time you are in town after October 15 come up and talk things over with us.

Headaches! Colds! Neuralgia! Dental Pain!

**Colonial Homes Surely****Constructed to Endure**

Those who are familiar with the construction methods employed by New England coast house builders of the Colonial period are generally impressed by the foundation work. Today, after a century or more, one may find these foundations unshaken. Labor was cheap in earlier times; construction material close at hand. Perhaps such massive bases for the superstructure were needlessly extravagant, yet one must admire the honest work that has stood the tests of time.

At East Winthrop, Maine, there stands a massive Colonial dwelling, 107 years old, that has one of these typical foundations. It is formed of enormous granite slabs which are laid up three feet thick. It is tradition among descendants of the original owners that three yokes of oxen were required to haul some of these great stones to the spot.

Quite frequently one will come across one of these Colonial houses with stone chimney bases 20 feet square while on the ground floor there will be tunnels through the heart of the chimney, forming unique hallways from one part of the main floor to another. Foundations and chimneys were built to withstand the onslaughts of floods, earthquakes and centuries. Fire occasionally razes clearly one of these Colonial dwellings, yet the hand of man is always necessary to tear apart that honest masonry.

**Moose Given Points of Superiority Over Horse**

The Swedish moose is a dangerous competitor to the horse, says a Stockholm Associated Press dispatch.

Some years ago a harnessed moose easily took first place in a horse race, but was refused first prize because the judges decided it was out of the competition.

Moose were used as saddle and draft horses several centuries ago until prohibited by a royal decree, as it was feared a criminal astride a moose could easily outdistance his horse-powered pursuers.

A Swedish country gentleman caught a moose bull as a calf and broke him for mail service. The animal proved more practical than a horse, since no gates had to be opened, the moose clearing them all without difficulty.

At one time a military expert proposed a moose cavalry regiment, asserting that a moose squadron would put fright into a whole horse regiment. The scheme was left untried.

**Paper Has Kept Growth**

In the United States the history of paper is the history of the country. When the Revolutionary war broke out there was hardly enough paper available to wad the guns of the soldiers or upon which to write the orders of their officers. There was virtually no paper. By 1810, however, the use had increased to about one pound per capita per year. It had grown to over eight pounds in 1850. The Civil war greatly accelerated consumption, which reached 25 pounds in 1869. In 1898 it was 57 pounds; in 1923, 150 pounds and today the people of the nation annually consume more than their own weight in paper.

**Bell-Ringing Clocks**

Perhaps the earliest tower clock with bell-ringing mechanism was one made by Peter Lightfoot, a monk of Glastonbury, England, about 1325, writes Satis N. Coleman in his book, "Bells." Connected with this clock were automatic figures which struck a bell on the hours. These performing figures pleased the public, and many of the town clocks of Europe were provided with such figures to ring the bells on the hours. They were used for proclaiming time long before the introduction of clock dials.—Detroit News.

**Unbreakable Glass**

The bureau of standards says that in general non-shatterable glass is of three distinct types. One of these is unusually thick; another consists of two or more layers of glass cemented together with an organic binder, such as celluloid, and the third is prepared by special heat treatment. The first of these can be identified by its relatively great thickness, the second by examining the edge of the glass for laminated structure, and the third by its irregular figures, seen when the glass is examined in polarized light.

**Tinned Stuff Used in Navy**

More than 12,000,000 pounds of canned goods are consumed by the sailors of the United States navy in a year. Canned tomatoes take the lead in vegetables, followed by peas, corn and stringless beans. Among fruits, peaches lead, followed closely by pineapple, then come prunes, apple sauce, apricots, pears, figs and raisins. Figs are relatively new in the canned goods products, but the navy uses them to the extent of 540,000 pounds annually.

**Thrift, Lying Americans?**

About one-half of the homes in the United States are owned by men with incomes less than \$2,000. So, after all, this thing of saying Americans are not thrifty is based on imagination instead of facts. We guess that about 75 per cent of what we Americans say is untrue. We have developed into a race of liars, we regret to say.—Aitchison Globe.

**MISS LURLIE BETTS BECOMES BRIDE OF LYONS McCALL OF CAMERON ON MONDAY, OCTOBER FIRST IN MEXIA**

The marriage of Lyons McCall of Cameron and Miss Lurlie Betts of Mexia was solemnized Monday morning at ten o'clock at the home of the bride's grandmother, Mrs. N. P. Houx, East Sumpter street, Mexia, with Rev. E. H. Hudson, pastor of the Presbyterian church at Mexia, reading the rites of the beautiful and impressive wedding ceremony.

It was a simple wedding, taking place in the presence of close relatives and friends of the contracting parties in a setting of fall flowers, with yellow the predominating color. The bride wore a traveling costume of brown crepe with egg-shell blouse, and accessories were in tones of brown. Her bouquet was of pink roses and fern. A sister, Mrs. Herman Hitt of Mexia, was the only attendant, and she wore an ensemble suit in blue and grey with harmonizing accessories.

Mr. McCall, who was attended by

Jim Majors of Cameron as best man, wore a dark business suit.

Immediately following the ceremony Mr. and Mrs. McCall left for San Antonio and other points in South Texas. They will return to Cameron where they will remain for a month or two and will then move to La Ward in the Rio Grande Valley, where they will make their home.

Mrs. McCall is the granddaughter of Mrs. N. P. Houx of Mexia, with whom she has made her home since the death of her mother several years ago. She is a graduate of the Mexia High School and she attended Texas Woman's College at Fort Worth.

Mr. McCall, the son of Mr. and Mrs. W. M. McCall, is a graduate of Yoe High school and of Southwest Texas State teachers college at San Marcos. An athlete of ability, he taught school and coached football for several years after his graduation, and at present is part owner of the Elmo Vaughn Dry Goods Co., of Cameron.

**CARD OF THANKS**

We take this method of expressing our sincere thanks to those of our friends and neighbors who assisted us in our bereavement in the death of our husband, father and brother, J. E. Torno. We thank those who gave flowers and all who assisted us in any way.

Mrs. J. E. Torno  
Roy Torno  
Mr. and Mrs. Frank Torno  
Mrs. Elberta Underwood  
Irene Torno  
Mrs. John Radtke.

**The Parting Shot**

Mr. Bore, 'I've tried many seemingly impossible feats and succeeded.' Companion (fed up), 'Really! Did you ever try to have the last word with an echo?'

We can say this for our friends, none of them have ever offered us a drink.

'I heard a new one the other day. Did I tell it to you?'  
'Is it funny?'  
'Yes.'  
'Then you haven't.'

He, 'Here comes a friend of mine. He's a human dynamo.'  
She, 'Really?'  
He, 'Yes, everything he has on is charged.'

Didn't Know It Was Loaded  
'A. Schlueter Found Shot Dead by Auto,' headline in Pennsylvania paper.

A Gold Digger  
'How does it come that daughter dates with a different boy friend every night?' asked father.  
'Because no boy could afford to date with her more than one night a week,' replied mother.

The other day we got an invitation to a stag party. It read: 'The party will be gin at 9:00 o'clock.'

'John, I hope I didn't see you smiling at that creature we just passed.'  
'I hope you didn't m'dear.'

Please ma'am, may we borrow your phonograph?  
'Do you want to dance?'  
'No, we wanta sleep.'

**MAN FELT BLOATED**

For Distress After Meals, He Takes Thedford's Black-Draught and Says He Obtains Relief.

Gulfport, Miss.—"I have used Black-Draught for about five years," says Mr. George Chevalier, of this city. "I keep it in my house all the time."

"When I feel bloated, and have headache after meals, my method of taking Black-Draught is to take from a pinch to a level teaspoonful in my mouth, dry, and wash it down with about half a glassful of water, regulating the dose according to the situation by taking more or less, according to how I feel."

"I usually take a dose on going to bed, when needed, and am relieved next morning."

"I don't know of any medicine that I would exchange for Black-Draught. I believe if anyone is suffering from constipation, and would use Black-Draught as outlined above, he would get relief."

Thousands of other men and women find Black-Draught of great help in relieving common ailments, due to constipation, biliousness and indigestion.

Prepared from medicinal herbs and roots, of highest quality, carefully combined and packaged by automatic machinery. NC-211

# CASTORIA

The Kind You Have Always Bought, and which has been in use for over thirty years, has borne the signature of *Chas. H. Fletcher* on the wrapper all these years just to protect the coming generations. Do not be deceived. All Counterfeits, Imitations and "Just-as-good" are but Experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

Never attempt to relieve your baby with a remedy that you would use for yourself.

**What is CASTORIA**

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Comfort—The Mother's Friend.

# We Believe In CAMERON

We believe in the present of Cameron and its future.

We believe that there is enough energy and vision and resource in Cameron to get for it anything within reason for a town the size of Cameron.

We believe that by working together for Cameron we can add to its prosperity and its beauty and its civic pride.

We believe that by a united effort we can make the institutions we have better and stronger and more effective. We can bring to Cameron new institutions that will in turn add to the assets of this community.

To bring this about will require the unstinted loyalty of every citizen of Cameron. The end will be achieved in the measure that we work together for Cameron.

**The Cameron Herald**

## Grandmother Howell, 90 Years Old Visited By Relatives Here

Grandmother Howell, who is ill at the home of her son, T. A. Howell, was ninety years old Sunday and her children, grandchildren, and great grand children came for many miles to do her honor on this occasion.

Among those here were Mr. and Mrs. Howell Jones, Jesse Jones, B. D. Jones and Mr. and Mrs. Homer Morris, all of San Antonio; Mr. and Mrs. T. E. Wooten and daughter and Mr. and Mrs. Douglas Phillips and two daughters, all of Thorndale; E. M. Howell of Big Springs; Dean Howell of Energy; Frank Howell of Hamilton; Mr. and Mrs. Will Morris of Yoakum; W. C. Herndon and family of Cameron; Mr. and Mrs. Jay Howell and Mr. and Mrs. Hilton Howell and their families of Waco; and Mr. and Mrs. Bill Howell and family of Minerva.

## BEN ARNOLD

Mr. and Mrs. Herman Folschinsky and Mr. and Mrs. Fritz Schwarting visited in the home of Mr. and Mrs. Herman Kruger of Maysfield Sunday afternoon.

Mr. and Mrs. F. H. Becker accompanied by Mr. and Mrs. Albert Dornier motored to Waco Thursday.

Mr. and Mrs. Emil Piske of Rosebud were callers on Mr. and Mrs. L. H. Becker Sunday afternoon.

Johnnie and Louise Reddehase were callers on Lillie Reddehase of Cameron Tuesday night.

Mr. and Mrs. Willie Boecker were entertained by the young people of our community by giving a dance Thursday night. The music was furnished by the Hoff boys. There was a very large attendance and everyone went home in a late midnight hour reporting a wonderful time.

Mr. and Mrs. John Senkel of Cameron were Sunday dinner guests in the home of his parents Mr. and Mrs. Wm. Senkel.

Mr. and Mrs. Joe Friemel Sr., and Mr. and Mrs. Rudolph Friemel enjoyed the show at Rosebud Thursday night.

We are glad to report that Newton

McKinney who is in the Cameron Sanitarium operated on for appendicitis is doing fine at this writing.

Rev. and Mrs. R. Kalkbrenner visited in the home of Mr. and Mrs. E. L. Kosel Sunday afternoon.

The Ladies Aid met with Mrs. H. Barkemeyer Sunday afternoon.

Mr. and Mrs. Ed Dahse were Sunday dinner guests of Mr. and Mrs. Louie Lucko of Rogers.

The young people of our community enjoyed the dance at Skeeze Friday night.

Mrs. Leo Lanke and mother-in-law were the guests of Mrs. Willis Vogelsang Monday.

Mrs. Fritz Richter of Karnes County spent Sunday with Mrs. Minnie Barkemeyer.

Edwin Kelm was a caller at the Paul Baring home Sunday.

Mr. and Mrs. Walter Kosel motored to Brenham Saturday to visit relatives.

Edmond Strickler is driving a new Chevrolet Coach.

Albert Sitz of Hamilton and Edgar Sitz were callers on Edna and Selma Harms Sunday night.

Rufus Boeker, Alvin Nolte and Lee Roy Folschinsky enjoyed the show at Cameron Saturday night.

Mr. and Mrs. Adolph Haselman are driving a new Chevrolet Coach.

Juna and Dorothy Schwarting were the guests of Helarie and Gladys Folschinsky Sunday afternoon.

Harvey Carmichael enjoyed the show at Cameron Tuesday night.

Mr. and Mrs. Fritz Richter spent Wednesday night with Mr. and Mrs. Fritz Ottmer.

## SHARP 4-H CLUB

The Sharp 4-H Club meeting was called to order at Miss Malitta Rinn's home Friday evening, October 4, at 1:30. The minutes of the last meeting were read by the secretary. Then the meeting was turned over to Miss

Bartholomew and she showed us different ways of darning cloth.

Miss Bartholomew helped the girls with their things that they are sending to Dallas Fair. We had three visitors which we were glad to have.

After the club meeting Mrs. Rinn served us with sandwiches, cake and grape juice, which the girls all enjoyed.

The last meeting was called to order at Miss Hilda Tag's home. Miss Bartholomew showed us different kinds of stitches. The rest of the evening was spent on culling chickens. We had five visitors which we were glad to have.

The girls that are planning to go to the Dallas Fair are Hilda Tag, Malitta Rinn and Edna Laffere.

## CHRISTIAN AID

Mrs. G. C. Walters was hostess to members of the Missionary Society of the Christian church Monday afternoon. Mrs. Ed Lovick was leader and she was assisted by Mrs. Ray Burke, Mrs. W. M. Ryan, and Mrs. Jim Adams. Rev. J. Hardigree, the newly named pastor of the church was a visitor and the meeting was a very profitable one.

A social half-hour followed the program, and the hostess served fruit jello and whipped cream and angel squares.

The ladies of the church will not meet next Monday afternoon but a group of them will go to Temple to the State Convention of the Christian church.

## METHODIST CHURCH

Our organization for the new Sunday school year is ready for all classes and ages. We are expecting to grow. Come Sunday at 9:45.

We are anxious that all of our people hear the sermon Sunday morning on 'Prayer as Communion.' We be

THE  
ECONOMY  
TWINS

lieve it will help you in your religious experience.

The pastor had many expressions of appreciation on last Sunday night's sermon on 'Tuning in on the Infinite.' Next Sunday night at 7:30 he will preach on 'Static' or the hindrances of hearing. Better hear it.

Wasn't the music and the song service good last Sunday night? We will try to make it as good next Sunday night.

The Leagues are getting their affairs adjusted for the fall and winter work. The Epworth Juniors correspond to the Junior Department in the Sunday school; the Epworth-Hi to the Intermediate; the Senior to the Young People's Department. Let all of every age come at 6:30 Sunday night.

## MISSIONARY SOCIETY

The Methodist Missionary Society met at the church Monday afternoon at four o'clock for a business session with Mrs. R. H. Davis presiding. The devotional was led by Mrs. J. W. Kemp. There were 18 members present.

All officers present made a monthly report. A nominating committee

was appointed, consisting of Mrs. Bob Terry, chairman, Mrs. Willard McCall and Mrs. Howard Baskin.

There will be a zone meeting of all the auxiliaries of this district at Ben

Arnold Thursday afternoon at 2:30 o'clock.

Our preacher says it's a poor religion that can't survive a flat tire.

## The Chevrolet Red "O.K. That Counts" Tag Protects Your Used Car Purchase.

Every reconditioned car we offer for sale is identified by means of the Chevrolet red "O.K. that Counts" tag. This tag is the purchaser's assurance that the car to which it is attached has been gone over carefully by expert mechanics—that it has been thoroughly reconditioned—and that the price is based on the car's actual ability to render service.

Due to the overwhelming popularity of the new Chevrolet Six, we have on hand at this time an unusually large group of these "O.K.'d" cars. Come in! You are certain to find the car you want—at a price that will save you money. Make a small down payment and drive your car away!

## Maysfield

ers at the school house last Friday Mrs. Gill Newton was reelected president and Miss Mildred Massengale secretary and treasurer. Arrangements were planned for a social to be given on Friday evening, October 18. Rev. R. L. Nicholson and Misses Mary Kelso and Mildred Massengale were appointed on the entertainment committee; Mrs. R. B. Mayes was appointed chairman of the refreshment committee.

When the two sides in the Rally Day contest lined up last Sunday morning at Sunday school the 'Whites' were found to be in the lead but it is up to both sides to see who will win next Sunday. Let every body in the community be on hand at the Rally Day exercises next Sunday and make his side beat. There were 51 at Sunday school last Sunday. Just before the exercises closed a special reading 'At Church Next Sunday,' taken from the Christian Observer was given by Ruby Nicholson.

A group of the Christian Endeavor young folk practiced a few songs in the home of Mrs. Jim Barmore Friday evening. Those present were Misses Mary Ethel and Mildred Massengale, Ada Lee Massengale, Josephine Baylor, Bertha Floyd, Mildred and Grace Thweatt, Vera Mayes, Mary White, Mrs. Arthur Peel; Messrs. J. C. Cosby, Elmer Floyd, Valter White and Thomas Ray of ogers.

Mrs. C. E. Brady, Mrs. Preston Laird and Mr. and Mrs. Burnett and children of Cameron visited Mrs. J. Thweatt Sunday.

Misses Bertha, Ruby and Marguerite Baylor spent Sunday with Misses Velma and Evelyn Waits.

Mesdames Mattie Hollinsworth and Ireland spent Sunday with Mrs. Tom Thweatt.

John Thweatt and children accompanied his wife to Cameron Monday morning.

Miss Mary Freeman, a member of the Ben Arnold school faculty spent Sunday with her parents, Mr. and Mrs. Clarence Freeman.

Mr. and Mrs. H. L. Atkinson and daughter, Harriett with Billie and Bettie Freeman, made a business trip to Rosebud Friday.

Misses Susie Butts and Mary Vir-

ginia Atkinson were Waco shoppers Friday.

Mrs. R. L. Nicholson and daughter, Ruby and Harriett Atkinson spent Sunday after Sunday school with Mr. and Mrs. H. L. Yager.

Mrs. Jim Barmore attended an address given at the W. M. U. meeting in Cameron, Monday at eleven o'clock.

Mesdames Tom Thweatt, Ireland and Hollinsworth were pleasant visitors at the manse Friday afternoon.

Rev. R. L. Nicholson preached at Marlow and Hoyte Sunday.

Mrs. Powell Tyson of Rosebud spent Sunday with her parents, Mr. and Mrs. H. L. Atkinson and was accompanied home by her sister, Miss Mary Virginia.

Eight were present at the special meeting of the Ladies Aid held in the home of Mrs. H. L. Yager last Wednesday afternoon. No lesson was discussed but the time was taken up with the rug, embroidery and other work that the society plans to finish soon. During the social hour the hostess served lemon pie, ice box cookies and grapes which were very much enjoyed by the ladies. The ladies attending the meeting were Mesdames H. L. Yager, Wise, E. J. Newton, Roy Newton, R. B. Mayes, Hartsfield and Wm. Freeman. The next meeting will be with Mrs. Gill Newton on Wednesday, October 16.

### Tyler College Places Every Telegraphy Graduate They Have

Every graduate of the Tyler Commercial College Telegraphy Department can be placed promptly when the work is completed. Our Employment Department records show that there is not a graduate of this course now out of employment. This is a most excellent record that we have determined to maintain.

If you are interested in Telegraphy don't hesitate to enroll for this course because of the fear of not getting employment when you complete. Our Employment Department can place you promptly and at a good salary. This department is in touch every day with Western Union Offices, railway offices, oil companies, pipe line companies and telephone companies, and students are leaving here every week for nice positions with these companies.

Our Telegraphy Course is a most

excellent selection for any young man or young woman, especially those who have finished high school. There is a greater need now for well trained telegraph operators than ever before.

If you want a good position at a good salary within six months from the time you enroll, then we recommend our Telegraphy Course. We know that you can be placed promptly when you complete and that you will get a good salary from the very beginning. You will have every opportunity for advancement.

If interested in this or any other business course, will you return the coupon below, writing a letter about yourself with full particulars? Your request will receive our personal attention.

Remember, there is not a graduate of our Telegraphy Department out of employment and that you, too, can be placed promptly. Send the coupon now. There is no obligation on your part.

Sunday School at 9:45 a. m.

## NOTICE To Car Owners

The streets have been re-lined to show the regular parking space and anyone parking across these lines will be prosecuted.

Now that school has started and many children are crossing the streets the speed laws are going to be vigorously enforced.

B. SLOCOMB,

City Marshall.

# Compare features to learn how much more Oakland gives for its price

Oakland has made it easy for you to compare features. In fact, Oakland has made the comparisons itself, tabulating the results in chart form so that you can see at a glance what you get in the Oakland All-American Six as well as what you get in twenty other cars of medium price.

Before you buy any car within \$300 of Oakland's price, be sure to come in and see the complete results of these comparisons. And when you have seen them, we will clinch the proof of Oakland superiority with a demonstration—convincing you beyond any question that this is America's finest medium-priced automobile.

Prices, \$1145 to \$1375, f. o. b. Pontiac, Mich., plus delivery charges. Spring covers and Loveloy Shock Absorbers included in list prices. Bumpers and rear fender guards extra. General Motors Time Payment Plan available at minimum rate.

Consider the delivered price as well as the list (f. o. b.) price when comparing automobile values. Oakland-Pontiac delivered prices include only authorized charges for freight and delivery and the charge for any additional accessories or financing desired.

## Proof that Oakland is America's finest medium- priced automobile

The following facts were obtained from a comparison of the Oakland All-American Six with 20 other medium-priced automobiles. All told, 878 individual comparisons were made. Of these Oakland proved to be distinctly superior in 451 or 51.37 per cent. The 20 cars combined were at best equal to Oakland on 382 or 43.50 per cent. And 13 of the 20 were higher-priced than Oakland!

### WHEELBASE

Only one car as low-priced as Oakland has a wheelbase as long as Oakland's, which is 117 inches. That car requires a turning circle to the left of 42 feet as compared with Oakland's 36 feet. Six higher-priced cars have shorter wheelbases.

### BRAKES

Only Oakland and one other car in its field use the fine type of brakes which Oakland employs. And no car in the field equals Oakland's 290 square inches of brake band area. Oakland's separate emergency brake operates on the transmission. Seven cars in the field have no separate emergency brakes, although three of them exceed Oakland in price.

PRODUCT OF GENERAL MOTORS

# Proper Lighting for Your Home.

**H**AVE you ever really thought seriously about whether your home has proper lighting?

The difference between proper and improper lighting means the difference between full enjoyment of light and just "getting along with what we have."

Electric light is the cheapest convenience in your home. It costs no more to have proper lighting than it does to have makeshift light which fails to give you the full advantage of this modern convenience.

Improper reading light is dangerous. It is a strain on the eyes. You or your family may suffer the consequences of impaired eyesight due to poor lighting without really knowing what caused the trouble. Science has solved the problems of lighting so that you can have the right sort of lights in every room of your home with positive certainty that you will obtain the greatest benefit from their use.

The Texas Power & Light Company has made a special study of home lighting and will welcome an opportunity to go over your home with you and recommend the changes, if any are needed, that would make your lighting most effective.

Let's talk about lighting; it can be of untold value to you.

Let The Economy Twins light your home cheaper than you ever thought would be possible.

**Texas Power & Light Company**  
"Your Electric Servant"

## Raise the Grade of Your Cotton and You Raise the Price

Sun, rain and soil produce cotton. Whether the grade is high, medium or low depends on conditions—soil, weather, harvesting, boll weevil.

No matter how good your crop is, you can make it worth more money by putting it through

## The Hancock Cotton Picker

Actual spinning mill tests show that this famous machine increases the spinning value of every bale put thru it, by untangling and combing the fibres in a way that preserves their natural length and keeps the 'bloom' on. Clean cotton with a large percentage of uniform staple length reduces spinning waste, for which the spinner gladly pays a premium.

For a Larger Cotton Profit this year, try the Murray-Hancock Way. This Gin is equipped to do it.

# BATTE'S ROUND BALE GIN

Cameron, Texas

## FIRE PREVENTION WEEK TO BE OBSERVED HERE

### PROCLAMATION OF STATE COMMISSIONER RECEIVED AND WILL BE PLACED IN EFFECT

Fire Prevention Week will be observed in Cameron, the proclamation of the Fire Insurance Commission being received here by Fire Marshal Will Cook. The proclamation is as follows:

In keeping faith with the performance of my duties as Fire Insurance Commissioner of the State of Texas, I want to make an appeal to every man, woman and child to take part in the proper observance of Fire Prevention Week, October 6-12, inclusive.

Fire Prevention is a subject that had its beginning with the progress of man. When man began to build, his first and most serious problem was that of how to prevent fire from destroying that which he had built. There is no problem of more importance to the American people at this time than the one which has been created by our extremely heavy fire loss.

Fire is a destroyer of life as well as of property, and is surpassed only by automobiles in the number of people killed each year. Fire is classed as a careless accident by some people. An accident is the result of doing something in the wrong way. The remedies for all kinds of accidents, including fire, have been aptly grouped under the three E's—Engineering, Education and Enforcement, and the greatest of these is education. We need to educate our people to demand proper building and equipment, better laws and stricter enforcement.

There is a cause for every fire that occurs and the finding and the elimination of this cause is the one big purpose of Fire Prevention. Fire hazards may be divided into two classes, physical and moral, or personal, as they are sometimes called. Physical hazards are inherent in the risk itself and in its surroundings, and may be partially measured or estimated and to a certain extent controlled. Moral hazards arise from personal factors and are hidden, presumed rather than known, not to be measured or scheduled.

It is our observation thru a clipping bureau, that there is not enough interest being manifested in Fire Prevention Week, and it is for that reason we are now issuing this appeal thru the newspapers of the State. We have put forth more effort preceding Fire Prevention Week this year than any previous year, but in spite of this fact there seems to be very little action on the part of our people to observe Fire Prevention Week. We are making this final appeal to all city officials, club officials, patriotic officers and the public in general to join together in the proper observance of Fire Prevention Week.

Our annual fire loss for the past five years has been approximately 250 people burned to death, with an annual loss of \$20,000,000. We are paying for this loss in everything we eat, drink and use. The cost of fire is certain and cannot be escaped by any. How long can we continue to pay this annual cost and be a progressive people?

Fire Prevention is BY the people, OF the people and FOR the people.  
J. W. DeWeese,  
Fire Insurance Commissioner.

### GAUSE

Mrs. Ira Blackman of Thrall spent several days with her mother, Mrs. D. D. Todd. While here she and her mother called on Mrs. L. O. Bowling, Mrs. J. T. Timmons of Gause and Mrs. Bob Todd of Cameron.

Mr. and Mrs. D. K. Lankford, Mrs. A. McDonald and Mr. and Mrs. Roy Walston are visiting their parents, Mr. and Mrs. Adrian McCowan.

Mrs. W. W. Lantrip and children, Dorothy Belle, Joy, Billy and Katherine of Cameron were the guests of Mrs. Gladys Ervin Sunday.

Mr. and Mrs. Stewart and children of Tracy visited Mrs. Mattie Ditto Sunday.

Mr. Walker of Waco came to Gause Friday and took his daughter, Miss Mary Sue to Waco to spend the week end.

Mrs. D. H. Slaughter and Mrs. D. B. Gunn of Cameron, Mrs. W. Y. Self and Miss Annie Hare of Port Sullivan were the guests of Mrs. R. B. Self.

The Western Public Service Company held a cooking demonstration school in Gause Thursday and Friday under the direction of Mrs. Ballinger. Many ladies attended the school both days and much was learned. Mrs. Ballinger gave a number of good receipts using several in the demonstration of the Westinghouse automatic electric stove.

Malcolm Timmons and Miss Ima Harcastle, both of Gause were united in marriage at Waco Thursday. Mr. and Mrs. Timmons have many friends

in Gause; all wish them a very bright and happy future. Mrs. Timmons was a member of the Gause school faculty the past two years and will teach in the Hanover school this winter. The young couple will make their home in Gause.

Mr. and Mrs. J. H. Thomas and daughters, Emma Howard, Elaine and Juanita of Rosebud were guests in Gause Sunday.

Clarence Todd of Houston spent the week end in Gause visiting friends and relatives.

A box supper was given at the Pin Oak school house Saturday night. Many enjoyed the eats, drinks and the happy gathering. Money was raised for the benefit of the school.

L. J. Bowling and son, Merton, motored to Houston Sunday. Mrs. L. Hickman and children returned with them.

Frank Ealand and Dan Todd left for Seguin Sunday.

Mr. and Mrs. Richard Hurbst of Houston visited Mr. and Mrs. Green Sunday.

Mrs. A. R. J. Ealand left Sunday for Houston where she will visit this week.

Mrs. Blanche Wall of Gause has returned after a lengthy visit with her sister in Comfort.

Mr. and Mrs. Jim Stroud of Cameron were guests of Mr. and Mrs. J. Morgan Friday.

Mr. and Mrs. Joe Ferguson and granddaughter of Milano visited Mr. and Mrs. H. O. Lee Saturday.

Mr. and Mrs. Wright of Orange are visiting their parents, Mr. and Mrs. J. E. Pharris.

John McLerran of Cameron and son Ben, of California, were guests of Mr. and Mrs. John Morgan Sunday. The Messrs. McLerran have just returned after a trip in Oklahoma.

Mrs. Henry Thorpe and daughter, Mrs. Knox Tidwell of Hearne were the guests of Mrs. L. S. Cunningham Sunday afternoon.

Rev. Weeks, pastor of the Methodist church filled his regular appointment Sunday. The electric lights, which have recently been brought to Gause, were dedicated Sunday evening. Rev. Weeks had arranged a very good program for the dedication of the lights and many came and enjoyed it.

F. M. Hauptfleisch and daughter, Helen and Mr. Hickman attended Sunday school at Branchville. Sunday morning then Mr. Hauptfleisch preached for them at the church hour.

Mr. and Mrs. G. W. Kilpatrick Sr., Charlie and J. M. Kilpatrick and Mrs. George Bland visited relatives near Wheelock Sunday.

The Pin Oak school opened Monday. Miss Helen Hauptfleisch is teacher of the school. Several patrons were present for the opening exercises. Rev. Weeks addressed the pupils with a very interesting and encouraging talk. Nineteen pupils were enrolled and more are expected to enter later. Miss Helen taught a very successful school at Pin Oak last year and we all wish her even greater success this year.

### Gause P. T. A.

The Gause P. T. A. met Monday night at the school auditorium. A large number of patrons were present and the secretary reported 22 paid up members.

A very nice program had been arranged by the teachers. Several readings, piano numbers and talks were included in the program. The business session followed this. The P. T. A. urges all patrons to join their organization. They will enjoy the meetings and feel a deeper interest in the school by being a member of the P. T. A.

### Seek Extension Gas Mains To Addition

Prospects for an extension of gas mains to the Green Addition to the city of Cameron seemed encouraging today as a canvas was being made among property owners in that addition.

Four inch mains are to be laid if the required amount of money is raised. All property owners cannot be served but many are contributing to secure the benefits of gas for that section of the city.

### Eugene Wade Better At Cameron Hospital

Eugene Wade, who is alleged to have slashed his throat with a razor on the afternoon of September 30 following a shooting at the home of a neighbor in which his wife, Mrs. Wade was shot and almost instantly killed, is in the Cameron hospital recovering from the injury.

Wade has been charged with murder in district court here following the

shooting and as soon as his condition improved sufficiently he will be taken to the county jail, according to Sheriff Blaylock.

### JOHN A. GREEN

Funeral services for John A. Green who died at his home in Cameron Tuesday morning, October 1, were held Friday afternoon from the residence with Rev. W. R. Minter of Austin the officiating minister. Interment was in Oak Hill Cemetery. Pall bearers were nephews of the deceased: George McGehee, Homer Collier, S. M. Burns, Nathan McGehee, Charles McGehee and Albert Green.

Mr. Green is survived by his wife and seven children: Mrs. George Antrim of Cheyenne, Wyo., Miss Helen Green of Houston, Misses Lucille and Ruth Green of Cameron; George Green of Seattle, Wash., and Walter Green of Port Angeles, Wash.

## DODSON'S SHOWS FOR 1929 COTTON PALACE

Twenty Distinct Attractions and Fourteen Rides to Be Shown at Waco.

Waco, Texas.—Dodson's World Fair shows will feature the Cotton Palace War Path this year, exhibiting twenty distinct attractions and fourteen rides.

The Dodson shows enjoy the distinction of being one of the largest carnival attractions in the country, with 600 people participating in its various activities. Press reports are unanimous in declaring that the Dodson shows have been practically rebuilt in the last few years, with many new and novel features never before seen with a carnival attraction.

### Great Variety of Shows

Twenty-two different tented theatres and 14 rides feature the enlarged Dodson carnival. Some of the headliners are "Zazzamar," ape with the human brain; Sailor Harris, with the Lord's prayer tattooed on his back; Scout Younger and his "End of the Road"; Mule-faced Girl, born in a barn, eats hay; Pressler the great, strong man and knife-thrower; Val Coogan in Hindu mysteries.

The Dodson shows enjoy the unique distinction of being the only tented show carrying its own minister, who directs religious services for 600 show people. He is "Doc" Waddell, member of the Ohio Methodist conference. Services are held regularly for the show people, and the "circus" minister also preaches in the different communities in churches that invite him.

A number of high-class free acts are being booked for the 1929 Cotton Palace, Secretary S. N. Mayfield has announced. These acts will be seen at different locations on the grounds during the day and evening, with the idea in mind of providing something of interest to Cotton Palace patrons, regardless of where they may be in the Cotton Palace enclosure. Some of the acts will visit the different buildings, while others will confine their activities to the open spaces.

### PRIZES TO BE GIVEN FOR BEST COMMUNITY EXHIBIT

Waco, Texas.—Rivalry is expected to be keen for the prizes offered in the community exhibit department of the 1929 Cotton Palace, according to R. S. Miller, county agent, who is the superintendent of this section and is daily answering inquiries as to the rules and regulations to govern the exhibit and the awarding of prizes.

The rules provide that the display from each community shall be confined strictly to agricultural and home products grown and produced in the community making the exhibit. A community shall consist of a radius of three miles from the community or school—one or the other must be specified. An affidavit must be made that all products contained in the exhibit were grown in the community represented, with the exception of edible nuts and meats, which may be of the 1928 crop.
